Acknowledgement of Country

We acknowledge the Traditional Custodians of the lands, seas, skies and waterways from across Queensland. We pay our respect to the Elders, past and present, for they hold the memories, traditions, the culture and hopes of Aboriginal peoples and Torres Strait Islander peoples.

A better understanding and respect for Aboriginal and Torres Strait Islander cultures develops an enriched appreciation of Australia's cultural heritage and can lead to reconciliation. This is essential to the maturity of Australia as a nation and fundamental to the development of an Australian identity.

Welcome Message

Welcome from the Senior Principal, Queensland Representative School Sport

Welcome from the Senior Principal, Queensland Representative School Sport

As the Senior Principal overseeing Queensland Representative School Sport, may I welcome you all to these State Championships and congratulate our students on their outstanding achievement of representing their Region.

Being selected to compete at a Queensland Representative School Sport State Championships is a significant milestone. Today's students join a proud and long-standing list of athletes who have represented their Region through school sport, many of whom have gone on to achieve further representative honours in both school and later life. What unites many of these athletes are the lifelong memories formed through school sport and the gratitude for the teachers and staff who coached them, encouraged them, and stood on the sidelines believing in their potential. For many of these athletes, school sport and State Championships such as this one, provided their first structured representative opportunity which opened a pathway to pursue their talents.

With the preparation for the 2032 Brisbane Olympic and Paralympic Games well underway, the importance of school sport has never been clearer. Many of our future elite athletes and gold medallists are sitting in our classrooms today. Since its establishment in 1920, Queensland Representative School Sport has provided students with access to high-quality, sporting pathways delivered through schools, led primarily by teachers and education staff. The benefits of participation in sport are wide-reaching; physically, socially, emotionally and academically. These benefits are not just for today but also for later life. Sport builds character, resilience and teamwork. It teaches humility in victory, grace in defeat, commitment, focus and the value of a healthy and balanced lifestyle. Research consistently shows that students engaged in structured sport demonstrate higher levels of school engagement, attendance and academic achievement.

As a teacher who has stood on the school oval myself and coached numerous school students, I am extremely proud to be part of a system which provides these sporting opportunities to Queensland students. Queensland Representative School Sport provides pathways which reach every corner of the state ensuring students, regardless of their location or school, have the opportunity to participate from school and district trials, through to regional and state Championships and onto School Sport Australia events.

We are proud of our rich history and of the achievements of generations of students who have represented their Regions and Queensland through school sport. As we look to the future, we remain committed to ensuring that school representative sporting opportunities continue to be accessible, inclusive and meaningful for all Queensland students.

To our families and supporters, thank you for the vital role you play in supporting your athlete's journey. To our students, I wish you every success. Compete to the best of your ability, embrace this experience, and use this opportunity to improve both as an athlete and more importantly, as a person. Please remember; how you conduct yourself is far more important than where you finish. Keep this program as a memento of a wonderful period of your schooling life and most of all, enjoy the experience of representing your Region – this is an achievement that will stay with you long after your school years.

Yours in sport

SPORT EXECUTIVE CHAIR WELCOME

Welcome to the 2026 Queensland Representative School Sport Track and Field State Championships
What an exciting time to be a school student with big Olympic dreams! With the Brisbane 2032 Olympic and Paralympic Games now firmly on the horizon, the opportunity to compete at the 2026 Queensland Representative School Sport Track and Field State Championships is a special one.

The road to Brisbane 2032 may still be several years away, but for many of our athletes, this week represents another important step in their sporting journey. For others, it is an opportunity to challenge themselves, compete alongside some of Queensland's best school-aged athletes and create memories that will last a lifetime.

On behalf of the Queensland Representative School Sport Track and Field Executive, I warmly welcome all competing athletes, their parents and supporters, regional team managers and coaches to Brisbane for the 2026 State Championships.

For our athletes, these championships are the culmination of many hours of training, competition and commitment, supported by parents, coaches, teachers and volunteers across the Queensland Representative School Sport pathway. We congratulate every athlete on their achievement in reaching the State Championships and encourage you to embrace the opportunity to compete, challenge yourself and enjoy the experience.

We acknowledge the tremendous work of the Queensland Representative School Sport Track and Field Executive, regional school sport teams, managers, coaches and officials who have contributed countless hours behind the scenes to prepare for these championships. Their commitment and dedication ensure our athletes have the opportunity to compete in a safe, well-organised and positive environment.

We are also delighted to welcome and acknowledge the support of Queensland Athletics, whose technical officials will assist in delivering the competition throughout the week. Their expertise and professionalism are invaluable in ensuring our athletes experience competition conducted to a high standard.
The 2026 Championships are proudly hosted by Queensland Representative School Sport, and we thank everyone who has contributed to bringing this event to Brisbane.

Queensland Representative School Sport encourages supportive participation and operates under a Code of Conduct for athletes, parents, coaches, managers and officials. We ask all members of our school sport community to familiarise themselves with the Code of Conduct and to ensure that their behaviour throughout the Championships reflects the values of respect, integrity, sportsmanship and positive participation.
Our very best wishes are extended to all athletes competing throughout the Championships. We hope you take pride in your achievements, enjoy the opportunity to compete against Queensland's best school-aged athletes and, most importantly, make the most of this experience.

Who knows — for some of you, this may just be another step on the journey towards Brisbane 2032!
We look forward to celebrating your achievements throughout the week.

A BRIEF HISTORY OF QUEENSLAND SCHOOL SPORT

The Queensland State Primary Schools' Amateur Athletic Association

On April 9, 1920, a group of 51 individuals consisting of teachers and representatives of various sports organisations gathered at the Brisbane Friendly Societies' Rooms to form the Queensland Schools Amateur Athletic Association (QSPSAAA). The primary purpose of this association was to promote and encourage various sports, including swimming, cricket, football, tennis, lacrosse, basketball, cycling, and athletics in general.

At the subsequent meeting, the Constitution of the Association was adopted with some amendments, including a change in its title to QSPSAAA. The affiliation fee for schools and individual members was set at two shillings and sixpence per annum. Records indicate that 44 schools and 84 teachers affiliated in the first year.

One of the key responsibilities of the QSPSAAA was to form sporting organisations that would provide more sports competitions for primary school students. Over the years, several District Associations were affiliated, leading to an increase in organised school sporting events and providing a platform for identifying talented athletes for higher representative honours.

On February 19, 1973, the Queensland State Primary Schools Amateur Athletic Association officially became known as the Queensland State Primary Schools Sports Association. This change reflected the growing focus on sports in the primary schools and the importance of organised sports events in the development of young athletes.

The Queensland State Secondary Schools' Sports Association

The Queensland State Secondary Schools Sports Association (QSSSSA) was established on April 6, 1946, with the aim of providing a framework for inter-school competitions among secondary schools. At the time of its formation, the Association had a membership of only 8 schools, but this number gradually increased over the years.

In September 1946, the first Annual Athletics Carnival was held, followed by the first Annual Swimming Carnival in March 1947. That same year, the first affiliated sports sub-association was formed to cater to the needs of Rugby League in secondary schools. Over time, the number of sports offered to students continued to grow, and by the mid-1970s, the Association actively encouraged affiliation and grouped schools into district associations to promote local competitions and provide students in remote areas with the opportunity to participate in state championships.

In 1955, the QSSSSA began its interstate activities with a Rugby League series against New South Wales (NSW), followed by Cricket and Soccer series. By 1970, ten sports were involved in an annual series against NSW. Early Queensland teams were selected through trials, and state championships were initially limited to Swimming and Athletics. However, by 1973, the Cross Country, Rugby League, Softball, Netball, and Basketball associations had conducted state championships, and the formation of school sports district associations resulted in an increase in the number of state championships in different sports. Today, state championships are played on an inter-regional basis, and in 2019, 49 state championships were conducted in 21 sports.

In 1980, the affiliation policy of the QSSSSA was changed to allow non-state schools to join the Association, and over the following years, many non-state schools affiliated. Today, all state secondary schools have the opportunity to be affiliated and participate in competitions held throughout Queensland, including schools in remote areas such as Thursday Island and Mornington Island.

The Queensland State Schools Sports Council

The Queensland State Schools Sports Council was established in 1965 with the objective of bringing together various stakeholders in school sports, including school sports associations, principals, and representatives from the Education Department. The council was formed to address the challenges faced in school sports, particularly the contentious issues arising from the large size of the primary and secondary sports associations.

The regionalisation of school sports programs started in the 1970s, and by 1988, twelve regions were established with a school sport officer assigned to each region to lead the representative school sports program.

In 1979, the constitutions of the parent bodies were altered to allow non-state school students to participate in the Department's school sports program and compete in State Championship level and represent the state.

One of the major initiatives of the Queensland State Schools Sports Council was the Pacific School Games, held in August 1982. These games, which served as a "Mini Commonwealth Games for School Students," involved over 2000 competitors and several hundred officials. The event was used by the Commonwealth Games Foundation as a trial run for their own event four weeks later.

Queensland Representative School Sport

The Queensland representative school sport program continues to provide opportunities for students to participate in various sporting activities and competitions. The program is managed by local school principals, teachers, and staff, with support from regional school sport officers who oversee the activities within each sport region, led by Queensland Representative School Sport.

Throughout the year, local and regional competitions are held to select representative teams for the Queensland Representative School Sport State Championships. These state championships provide opportunities for students to showcase their skills and compete at the highest level. The best performers are then selected to represent Queensland at inter-state, national, or international competitions.

Sport participation plays a vital role in the development of young people and promotes the values of teamwork, sportsmanship, enjoyment, co-operation, fitness, and school spirit. These values have remained unchanged since the inception of the school sport program over a century ago and continue to be as relevant today as they were in the past.

School sport has a rich heritage and is an integral part of Australian culture. Despite facing challenges and weathering storms over the years, the program has remained strong and continues to provide opportunities for students to participate in a variety of sporting activities. The program is proud of its history and looks forward to a bright future, offering more opportunities for students across Queensland to engage in school sports.

Players & Officials Oath

As a Regional Athlete and on behalf of all athletes here, we swear to:

- participate to the best of our ability
- represent our team with pride
- abide by the rules that govern these championships
- respect the decisions of the officials
- and above all else demonstrate sportsmanlike behaviour in the best tradition of all representative school sport events.

By doing so, we can ensure that the Championships will be a positive and memorable experience for everyone involved. In conclusion, let us embrace this opportunity to demonstrate our skills and make memories that will last a lifetime. And above all, enjoy ourselves.

On behalf of all Officials at the Queensland Representative School Sport Championship, we swear to:

- officiate the championship to the best of our ability.
- represent our team with pride
- apply the rules that govern these championships with complete impartiality
- and to conduct ourselves in a manner that is in keeping with the best traditions of all representative school sport events.

By doing so, we can ensure that the Championships will be a positive and memorable experience for everyone involved. In conclusion, let us embrace this opportunity to demonstrate our skills and make memories that will last a lifetime.

RULES AND CONDITIONS

Competition Procedures Regional Attire

School Sport Regions will determine the competition uniform to be worn by athletes from the region.

- Athletes not wearing the correct competition uniform may be withdrawn from an event. Repeated breaches of uniform requirements may result in withdrawal from the remainder of the Championships.
- Compression or Lycra garments, including socks and arm sleeves, must match the dominant official regional/state colour where possible.
- If the official colour is unavailable, black or white compression garments may be worn, provided the full official regional competition uniform (top and bottom) is worn over them, unless otherwise advised by the relevant School Sport office.

Footwear

Athletes are required to wear enclosed shoes at all times while competing in throws events. Although most of the age groups competing are NOT constrained by World Athletics Shoe Regulations, the Championship officials reserve the right to implement shoe checks if it is deemed necessary.

Dress

- Athletes must wear the allocated competition number bibs provided by the Championship Organising Committee in every event for which they are nominated.
- Number bibs must be pinned in four places and are not to be folded or altered in any way. Multi class athletes will work with team officials to ensure competition numbers are suitably positioned for participation in the event.
- Hip numbers and pins for track events will be provided where required, for attachment to shorts or briefs. Multi class athletes will work with team officials to ensure hip numbers are suitably positioned for participation in the event.

Warm up for events

- Regional Supervision must be allocated at the designated Warm-up Facilities.
- Warm up for events will be dependent on Venue Facilities and will be communicated through Championship Bulletins each year.
- Field events athletes will be permitted warm up throws/jumps at the competition area prior to the commencement of the event.

Assistance to Athletes

- World Athletics Rule TR 6.3 (Assistance Not Allowed) applies unless otherwise advised by the Organising Committee through Regional Sports Offices or Team Managers. Breaches may result in disqualification.
- Multi-class athlete assistance must comply with the Multi-Class Information Handbook. On-field assistance may only be provided by a regional team manager wearing the official regional uniform and hi-vis vest.
- Any assistance beyond that permitted under an athlete's classification requires prior written approval via the *Multi-Class Additional Assistance Form* submitted through the Regional School Sport Office/Team Manager to the Multi-Class Convenor.

Athlete Check-In & Withdrawals

- Athletes must check in with their Regional Team Manager at least two hours before their first event each day and collect their competition bib and program.
- Athletes who fail to check in may be withdrawn from events no later than one hour before the scheduled start time (90 minutes for Pole Vault).
- All entries are considered confirmed. Withdrawals (scratchings) during the Championships must be submitted by Team Managers through the convenor using the official change form.
- Athletes not officially withdrawn, or who fail to compete in qualifying rounds, may be removed from all remaining events, including relays.
- Withdrawals from semi-finals and finals must be lodged at least 60 minutes before the event start time.
- Track events may be re-seeded where withdrawals significantly affect field sizes.

Call Room (Marshalling) Procedures

- All athletes must report to the Call Room before competing. Athletes who report directly to the event area may be denied entry.

Call Room reporting times are:

Call Room (Marshalling)	Time prior to the event
Track Events	20 minutes
Pole Vault	75 minutes
Throws	60
High Jump, Long Jump	40

- Athletes must be in full competition uniform with bibs attached.
- Athletes will be escorted to competition areas by officials. Late athletes may be refused entry.
- Athletes competing in overlapping events must notify Call Room officials or their Team Manager within the required timeframe.
- Failure to report for semi-finals or finals will be treated as a withdrawal and may result in removal from remaining events.

Competition Arena Access

- Only competitors Regional Officials and authorised officials are permitted in the competition arena and warm up areas
- Multi-class managers, guides, and assistants are exempt where permitted under an athlete's classification and must wear regional identification and a hi-vis vest.
- Private coaches and parents/guardians are not permitted in the field of play and must remain on the outside of the fence at all times
- Athletes are able to access coaching from inside the fence during warm up and competition.
- Regional Team Managers will be granted venue access where event-specific warm-ups are required outside official warm-up areas.
- Athletes must leave the competition area immediately after completing their event

Throwing Implements

- Competition implements will be supplied by the Organising Committee in accordance with WA, WPA, AA and SSA requirements for each age group.
- Athletes may use personal implements if they are checked and approved by the Technical Manager at least 2 hours before the event (subject to staffing and venue requirements).
- Approved implements must be made available to all competitors in that event and will remain with officials until the event concludes.
- Only rubber discus may be used in the 10–12 Years Discus event, in line with SSA Competition Procedures.

TRACK EVENTS

Starting Rules

- Team Managers should ensure athletes are familiar with World Athletics Rule TR 16 relating to starting procedures, current as at 30 June of the competition year unless otherwise advised.

Starting information

- False start rules apply as follows:
  - **13 years:** One false start results in a warning to the athlete and the field. Any subsequent false start by that athlete results in disqualification.
  - **14–19 years:** Any athlete responsible for a false start, as determined by the Start Referee, will be disqualified immediately.
  - **10–19 years Multi-class athletes:** Athletes responsible for a false start will receive an individual warning and the field will be reminded of starting procedures. The Start Referee will determine any disqualification following the warning.

Starting Blocks

- Regulation starting blocks will be supplied for all competition events. Personal starting blocks are not permitted.
- Able-bodied athletes aged 13–19 years must use starting blocks in all track events up to and including 400m.
- Starting blocks are optional for 13–19 years multi-class athletes in events up to and including 400m, with standing starts permitted.

Qualifying for Finals & Timed Finals

- All multi-class track events will be conducted as timed finals.
- If an event originally scheduled with heats is reduced to a straight final due to withdrawals, the final will be run at the advertised heat time with athletes who have checked in by the required Call Room time.
- **Qualification progressions may vary depending on track configuration and nomination numbers. Any changes will be communicated to regional officials.**

100m & 200m

- Qualification progression:
  - **2 heats:** Top 3 from each heat as well as fastest remaining times
  - **3 heats:** Top 2 from each heat as well as fastest remaining times
  - **4 heats:** Top 3 from each heat progress to semi-finals as well as fastest remaining times. 2 semi-finals will be created.
  - **5 heats:** Top 3 from each heat progress to semi-finals as well as fastest remaining times. 3 semi-finals will be created.
  - **Semi-finals:** Top 2 from each semi-final as well as fastest remaining times progress to the final to utilise the available lanes at the venue.

400m & Hurdles

- Qualification progression:
  - **2 heats:** Top 3 from each heat as well as fastest remaining times
  - **3 heats:** Top 2 from each heat as well as fastest remaining times
  - **4 heats:** Winner of each heat as well as fastest remaining times

800m

- Qualification progression:
  - **2 heats:** Top 3 from each heat as well as fastest remaining times
  - **3 heats:** Top 2 from each heat as well as fastest remaining times
  - **4 heats:** Winner of each heat as well as fastest remaining times

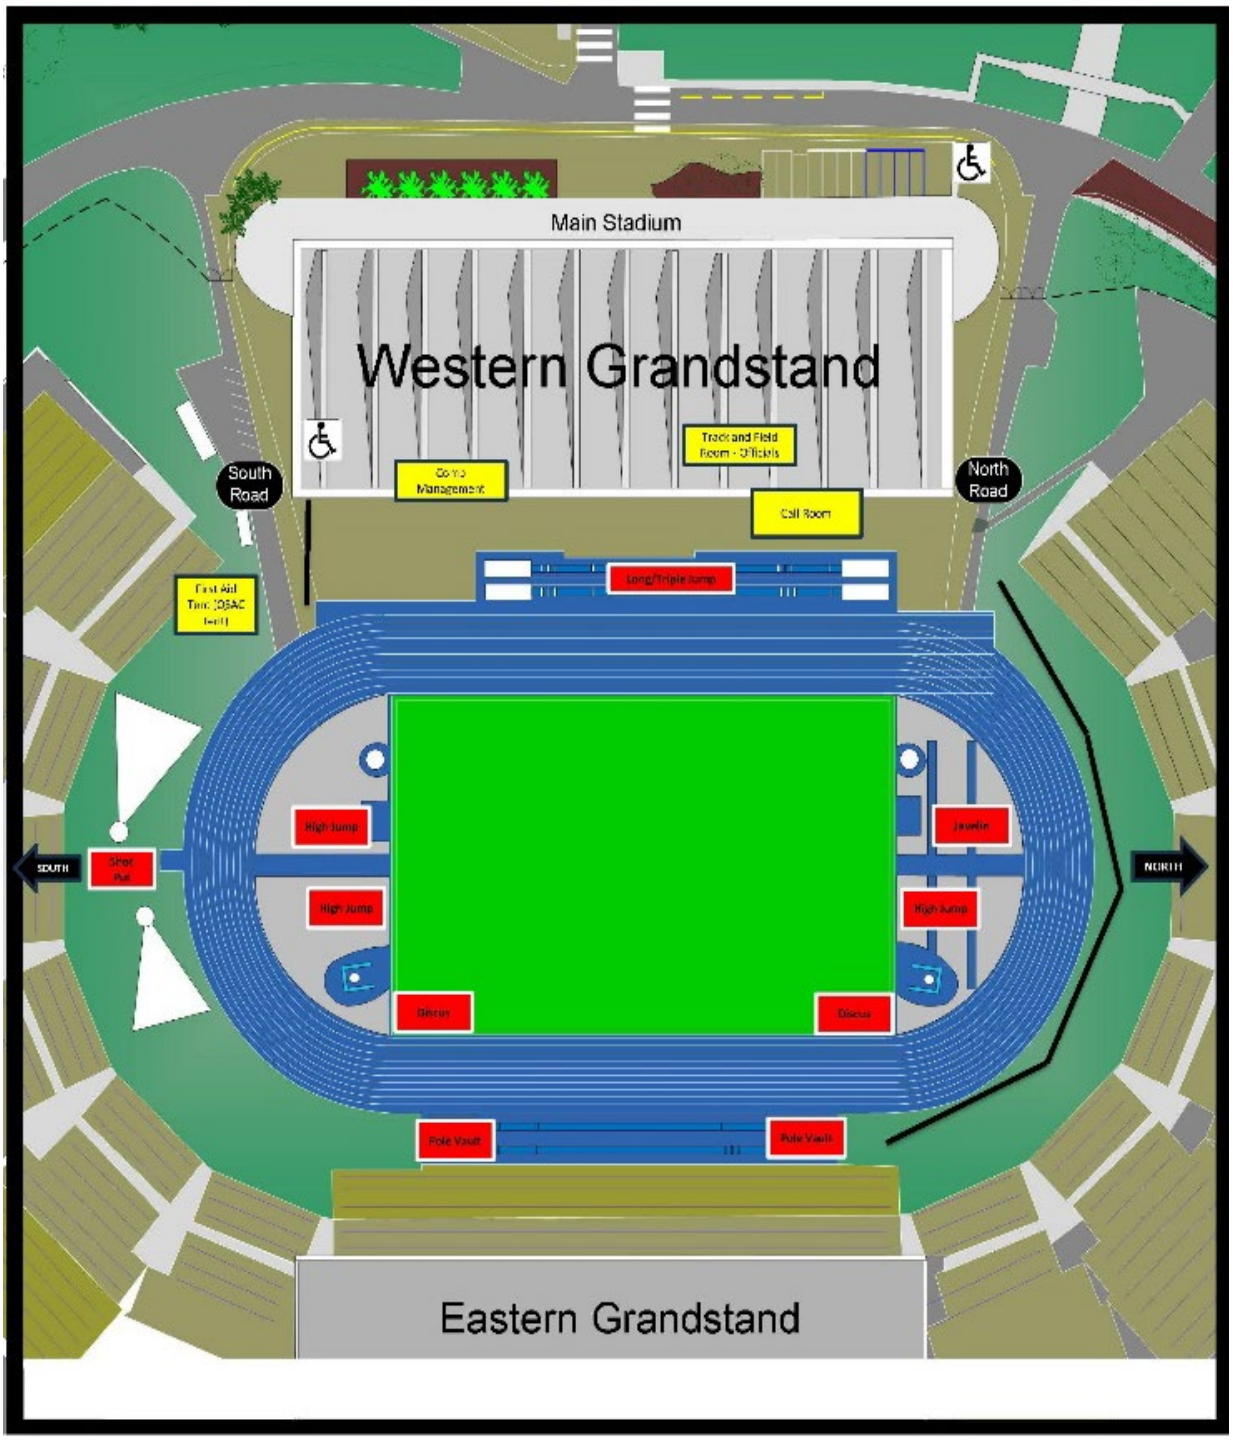

1500m

- Qualification progression:
  - **2 heats:** Top 6 from each heat
  - **3 heats:** Top 4 from each heat
  - **4 heats:** Top 3 from each heat
- If 16 or fewer athletes nominate or check in, the event will be conducted as a straight final at the scheduled first heat time.

Distance events

- All events with distances greater than 1500m will be conducted as straight finals.

TEAM OFFICIALS CODE OF CONDUCT

All Queensland Representative School Sport Team Officials need to become familiar with the following DOE and QRSS policies and procedures in order to carry out your required duties as an official - https://qed.qld.gov.au/working-with-us/induction/department/induction-programs-and-resources/code-of-conduct.

Code of Conduct – Team Officials

The Public Sector Ethics Act 1994 (Qld) (the Ethics Act) establishes four ethical principles which underpin public administration in Queensland and apply to all public service employees:

- integrity and impartiality
- promoting the public good
- commitment to the system of government
- accountability and transparency.

Each principle is supported by a set of values which describes the behaviour that will demonstrate that principle. All public service entities and employees must demonstrate, promote and comply with these principles and values in their work.

DoE Standard of Practice (February 2016) indicates:

- You must not communicate with students using a personal mobile phone, either verbally or by text message unless prior approval has been given by your principal or supervisor. You must discourage students from such communication with staff. Use of a departmental mobile phone must be for official purposes only.

- You must ensure that you do not communicate with students from a private or personal email address. School or institute policies which allow for communication with students via departmental email should be for official purposes only.

- You must not use personal cameras or mobile phones to photograph students unless prior approval has been given by your principal or supervisor. The use of a personal or school mobile phone or camera to photograph students must be for official purposes only. Parental or custodial approval must be given for the publication of photographs of students.

- You must not use internet social networks such as Facebook, Instagram, YouTube or similar social media platforms to contact or access present students enrolled in any school or institute.

- If you use internet social networks in your personal time you must ensure that the content is appropriate and private, and that you restrict access to specific people who are not students.

STUDENT AND PARENT CODE OF CONDUCT

Student's Code of Conduct

- Take responsibility for your own behaviour and performance.
- Compete by the competition conditions and rules.
- Respect the judge's, referee's or umpire's decisions.
- Encourage and support your team members.
- Show respect for yourself, your teammates, officials, your opponents and their skills.
- Respect the rights and worth of every person.
- Behave in a manner that respects the rights of others regardless of mediums of communication used
  e.g. digital mediums such as Instagram, YouTube, Twitter, Facebook email and texts.
- Smoking, drinking of alcoholic beverages or the use of any illegal substances is strictly forbidden.
- Entering or remaining upon restricted licensed premises unless under the supervision of Team Officials or parents / guardians is strictly forbidden.
- Ensure you adequately prepare and recover for competition.
- Wear the official team uniform as directed by Team Officials.
- Check - in and check - out with Team Officials each day.
- Stay in the designated team area and support other team members during the event.
- Follow all directions of Team Officials.
- Ensure that you always have telephone numbers of Team Managers in case of emergency.

Parent and Community Code of Conduct

- Cooperate with the Team Officials to achieve the best outcomes for your child.
- Support team and event officials in maintaining a safe and respectful learning environment for all students.
- Maintain positive relationships with Team Officials regarding your child's learning, wellbeing and behaviour.
- Be courteous and constructive in your communication with players, Team Officials, game officials and sport administrators.
- Encourage honest effort, skilled performance and team loyalty.
- Behave in a manner that respects the rights of others regardless of mediums of communication used
  e.g. digital mediums such as Instagram, YouTube, Twitter, Facebook, email and texts.
- Let game officials conduct events without interference.
- Demonstrate respect for opposing players and their supporters.

Parent and Community Code of Conduct

Supporting learning, wellbeing and safety in every Queensland state school

We welcome parents[1] and other members of our diverse community into schools across Queensland.

Working together with their school community[2], school staff support the learning and wellbeing of every student, and are entitled to a safe work environment.

Parents and other visitors to schools support safety by ensuring their communications and conduct at the school and school activities is respectful.

Elements of engagement	It is expected that parents and visitors to our school communities will:	Parents and visitors to our school communities demonstrate this by:
Communication	• be polite to others • act as positive role models • recognise and respect personal differences • use the school's communication process to address concerns	• using polite spoken and written language • speaking and behaving respectfully at all times • being compassionate when interacting with others • informing staff if the behaviour of others is negatively impacting them or their family • respecting staff time by accepting they will respond to appropriate communication when they are able • requesting a meeting to discuss any concerns about their child's education — allowing staff time to prepare and appreciating their time may be limited
Collaboration	• (parents) ensure their child attends school ready to learn • support the Student Code of Conduct	• taking responsibility for their child arriving and departing school safely on time every day • reading and encouraging their child to understand and follow the Student Code of Conduct
School Culture	• recognise every student is important to us • contribute to a positive school culture • work together with staff to resolve issues or concerns • respect people's privacy.	• valuing each child's education • acknowledging staff are responsible for supporting the whole school community • speaking positively about the school and its staff • not making negative comments or gossiping about other school community members, including students — in person, in writing or on social media • understanding, at times, compromises may be necessary • considering the privacy of all school community members at all times, and understanding that the school cannot share confidential information.

[1]The term 'parent' refers to parents, carers, guardians and people who exercise parental responsibility for a child.

[2]The term 'school community' refers to staff, students, parents, local business and community organisations and visitors to the school.

Information and Privacy Management including Photography
The taking of photographs (for personal/family use) is permitted at school sport events except where an event is held at a venue where venue management prohibits such photography. This is communicated to Team Officials at the officials meeting prior to commencement of the event for distribution to teams.

QRSS is mindful of photography and videography of students participating at school sport events and:

- owes a duty of care to students participating in sporting events and has an obligation to comply with departmental policy concerning child protection matters
- recognises that it is a normal and appropriate expectation of parents/carers to be able to visually record the sporting achievements of their children. However, this expectation must be balanced against legitimate concerns that may be raised about inappropriate photography of students
- recognises that some venue Managers/owners may not permit photography in their venue.

Statement of Practice

- The taking of photographs and video (for personal/family use) is permitted at QRSS events except where an event is held at a venue where venue management prohibits such photography.
- Where a venue prohibits photography, signage stating that photography is not permitted will be displayed to spectators on venue entry points.
- Where a QRSS representative reasonably considers that a spectator is engaged in photography of an indecent nature or is engaging in photography contrary to the venue owner's prohibition (and if the spectator does not desist), they will be asked to leave the event premises. Police may be called to assist where the event Convenor considers it prudent.

The management of this policy is the responsibility of the event Convenor in consultation with team officials and venue management.

Hydration
The following procedures are suggested for all Queensland Representative School Sport events:

- Water will always be available at all venues and if necessary, water carriers will be provided during matches. Other fluids which may be used include diluted sports drinks.
- The procedures to be followed for providing fluid to students during competition should be clearly identified at the pre-event meeting or in pre-event bulletins.
- Sports which do not have appropriate scheduled re-hydration strategies (e.g. drinks breaks) should implement strategies for allowing fluid to be provided to participants during matches.
- Scheduled breaks in matches should be used to actively promote the benefits of hydration.
- Where possible, officials should actively promote the use of interchange rules to prevent dehydration.
- Participating teams may designate their own water carriers. These may be adults but cannot be the Coach.
- No water carrier is to engage in the coaching of individuals or the team whilst on the field of play.
- Regional School Sport committees should ensure that all their teams are provided with individual water bottles for every event. During matches, these should be located immediately next to the playing area to enable players to help themselves (at appropriate times) during matches.

Sun Safety Strategies
All participants will be encouraged to:

- Maximise the use of available shade at outdoor activities
- Use a SPF 30+ broad spectrum water-based sunscreen on uncovered areas of the skin
- Purchase and wear the school/Regional/state bucket hat or cap to wear at the trial/event

CONCUSSION

Concussion Safety at QRSS Events

Queensland Representative School Sport (QRSS) takes concussion seriously and prioritises the health, safety and wellbeing of every student. Concussion can occur in many sports and does not always involve a direct blow to the head or loss of consciousness. If a concussion is suspected, the student will be **immediately removed from play** and assessed in line with national Australian Sports Commission guidelines. Children and adolescents are managed with a **conservative, safety-first approach**, recognising they may take longer to recover and require careful monitoring.

What happens next?

Families will be **contacted as soon as possible**, and the student must be assessed by a **medical practitioner** before returning to sport. A structured **return-to-learn and return-to-play process** is followed, guided by medical advice and QRSS procedures. Students will only resume participation once it is safe to do so, ensuring their long-term health and wellbeing remain the priority.
