Queensland Representative School Sport Regional Committee (QRSS-RC)

Purpose

The Queensland Representative School Sport - Regional Committee (QRSS-RC) South East Queensland is the governing body that leads the strategic direction and administration of the Queensland Representative School Sport (QRSS) program within the South East Queensland.

Guiding principles

Performance-based outcomes

Enable safe, affordable and equitable representative school sport pathways with an unrelenting focus on excellence, engagement and wellbeing for staff and students. Monitor the performance, efficiency and effectiveness of the representative school sport program in the South East Queensland.

Evidence-based

Provide evidence based strategic direction and ensure alignment of decision making processes across the South East Queensland and to the statewide QRSS program.

Fit-for-purpose

Promote inclusive and equitable opportunities and access for all students in the South East Queensland at all levels of representative school sport, being responsive to community needs and departmental priorities.

Trust and transparency

Through clear and transparent governance arrangements, make impartial and ethical decisions across the South East Queensland that uphold human rights, promote confidence, demonstrate accountability, and withstand legal and public scrutiny of the representative school sport program.

Risk-based

Make decisions for representative school sport in the South East Queensland that balance opportunity and risk to achieve the strategic priorities and objectives for Queensland Representative School Sport.

Responsibilities

- Endorse, approve and direct all activities within the Queensland Representative School Sport- Sport Regions and Districts within the South East Queensland.
- Provide strategic direction and ensure alignment of the representative school sport program across the region and to the statewide QRSS program.
- Lead and oversee the development, administration, operation, implementation and ongoing review of the QRSS program in South East Queensland in line with statewide priorities.
- Lead a regional operating model that manages risk and promotes accountability across the representative school sport program.
- Make key strategic investment decisions and ensure that all program operations and financial activities comply with relevant departmental policies and procedures.
- Endorse and approve planned expenditure of funds and other financial activities of the Sport Regions within South East Queensland.
- Review and consider recommendations from the Queensland Representative School Sport – Management Committee (QRSS-MC).
- Identify opportunities to develop partnerships that leverage expertise and strengthen pathways for students in the QRSS program in South East Queensland.
- Promote inclusive and equitable opportunities and access for all students in the South East Queensland at all levels of representative school sport.
- Consider human rights in all actions and decision making.
