Team training information will be communicated to families by the Team Manager.

The following factors need to be considered in deciding whether or not to approve the student's participation in the team:

- Is the student currently enrolled as a student at your school?
- Can the student, in your opinion, abide by the Queensland School Sport Code of Conduct?

Selection in representative teams involves considerable expense for students and parents. Support in any form that your school, or the School's Parents and Citizens' Association may be able to give, would therefore be greatly appreciated.

Would you please complete the enclosed Principal's Approval form and return to the student and/or Team Manager by
