## Track & Field – Certificate of Competence Form

Queensland students participating in high and extreme risk field events (High Jump – Fosbury Flop, Discus, Javelin, Hammer Throw and Pole Vault) at School Sport Track and Field Championships (District, Regional, State and National) are required to provide parental/carer consent and a medical declaration. Students may also be requested to provide a certificate of competence to be nominated for competition.

The **Certificate of Competence** form (below) provides confirmation from a suitably qualified coach/teacher that the student can execute the technique required for each event at a standard which is not likely to cause an unreasonable risk to the safety of themselves, other students, or officials. Should a suitably qualified supervisor determine that a student's technique is unsafe during competition, they may request the student to modify their technique or remove the student from competition. If the student has already qualified for selection during the competition, they may be required to provide a new certificate of competence (or evidence of additional instruction and training from a suitably qualified coach) prior to being nominated for the next level of competition.

**Parents/carers must complete the consent and medical declaration sections below (tick all relevant boxes). Students with an identified medical condition must also provide a medical clearance to participate.**

Failure to submit the consent and medical declaration/clearance will result in the student being unable to participate (or use the Fosbury Flop technique) in the specific field event.
