

Queensland Representative School Sport

2024 10-19 Years Cross Country Multi-class Results

The athlete's place in the event and medal allocations was determined using the multi-disability standards (MDS) formula. The athletes' times for the event were calculated as a percentage of the national multi-disability standard 1,500 metre time for their classification. The athlete with the highest percentage was placed first, etc.

10 Years Girls
