Regional School Sport Officer	Lyndon McIntyre	
Assistant Regional School Sport Officer	Georgie Crothers	
Championship Convenor	Tom Bradbury	Toowoomba Anglican School
Championship Assistant Convenor	Shelley Clews	Toowoomba East State School

Acknowledgement of Country

We acknowledge the Traditional Custodians of the lands, seas, skies and waterways from across Queensland. We pay our respect to the Elders, past and present, for they hold the memories, traditions, the culture and hopes of Aboriginal peoples and Torres Strait Islander peoples.

A better understanding and respect for Aboriginal and Torres Strait Islander cultures develops an enriched appreciation of Australia's cultural heritage and can lead to reconciliation. This is essential to the maturity of Australia as a nation and fundamental to the development of an Australian identity.

Welcome Message

Welcome from the Senior Principal, Queensland Representative School Sport

As the Senior Principal overseeing Queensland Representative School Sport, may I welcome you all to these State Championships and congratulate our students on their outstanding achievement of representing their Region.

Being selected to compete at a Queensland Representative School Sport State Championships is a significant milestone. Today's students join a proud and long-standing list of athletes who have represented their Region through school sport, many of whom have gone on to achieve further representative honours in both school and later life. What unites many of these athletes are the lifelong memories formed through school sport and the gratitude for the teachers and staff who coached them, encouraged them, and stood on the sidelines believing in their potential. For many of these athletes, school sport and State Championships such as this one, provided their first structured representative opportunity which opened a pathway to pursue their talents.

With the preparation for the 2032 Brisbane Olympic and Paralympic Games well underway, the importance of school sport has never been clearer. Many of our future elite athletes and gold medallists are sitting in our classrooms today. Since its establishment in 1920, Queensland Representative School Sport has provided students with access to high-quality, sporting pathways delivered through schools, led primarily by teachers and education staff. The benefits of participation in sport are wide-reaching; physically, socially, emotionally and academically. These benefits are not just for today but also for later life. Sport builds character, resilience and teamwork. It teaches humility in victory, grace in defeat, commitment, focus and the value of a healthy and balanced lifestyle. Research consistently shows that students engaged in structured sport demonstrate higher levels of school engagement, attendance and academic achievement.

As a teacher who has stood on the school oval myself and coached numerous school students, I am extremely proud to be part of a system which provides these sporting opportunities to Queensland students. Queensland Representative School Sport provides pathways which reach every corner of the state ensuring students, regardless of their location or school, have the opportunity to participate from school and district trials, through to regional and state Championships and onto School Sport Australia events.

We are proud of our rich history and of the achievements of generations of students who have represented their Regions and Queensland through school sport. As we look to the future, we remain committed to ensuring that school representative sporting opportunities continue to be accessible, inclusive and meaningful for all Queensland students.

To our families and supporters, thank you for the vital role you play in supporting your athlete's journey. To our students, I wish you every success. Compete to the best of your ability, embrace this experience, and use this opportunity to improve both as an athlete and more importantly, as a person. Please remember; how you conduct yourself is far more important than where you finish. Keep this program as a memento of a wonderful period of your schooling life and most of all, enjoy the experience of representing your Region – this is an achievement that will stay with you long after your school years.

Yours in sport

Dr Keith Graham PSM OAM

Senior Principal,

School Reviews & Queensland Representative School Sport

The logo for Queensland Representative School Sport. The word 'Queensland' is written in a large, bold, blue sans-serif font. Below it, the words 'Representative School Sport' are written in a smaller, blue sans-serif font. The 'Q' in 'Queensland' is stylized with a white swoosh that extends to the right.

Sport Executive Chair Welcome

On behalf of the Queensland Representative School Sport Cross Country Executive and the Darling Downs School Sport Region, I extend a warm welcome to all athletes, coaches, managers, officials, parents and spectators attending the 2026 10–19 Years Queensland Representative School Sport Cross Country Championships. We eagerly anticipate two days of competition and celebration as the very best school-aged distance runners from across Queensland come together.

I extend my sincere thanks to the Darling Downs School Sport Region, led by Lyndon McIntyre, Tom Bradbury and Georgia Crothers, for their dedication and hard work in bringing this event to life. Hosting a championship of this scale requires countless hours of planning and coordination, and their commitment to delivering an exceptional, athlete-centred experience is greatly appreciated.

School sport is only possible because of the extraordinary support that surrounds our athletes. On behalf of our regional team officials, I gratefully acknowledge the parents, extended families and support networks of our competitors. Many families make significant sacrifices to ensure their children can participate in events such as these, whether through countless hours of travel, accommodation expenses, early mornings, late evenings, and time away from work and home. Thank you for your unwavering commitment and for the opportunities you create for these young people to pursue their passions and represent their regions with pride.

As an event committed to inclusivity within the Queensland Representative School Sport calendar, I recognise and applaud several groups who have overcome obstacles to be here this weekend. Firstly, I acknowledge the athletes, teacher officials and families who have travelled vast distances from regional and remote communities across our great state. Queensland's size means that many of you have undertaken long journeys by road or air to compete. We deeply appreciate your efforts and the commitment required to ensure these championships are truly representative of every corner of Queensland.

Secondly, I acknowledge our teacher officials, volunteers and event staff. Many have generously given up their own time with family and friends to support this championship. Their willingness to serve our students, often behind the scenes and with little recognition, is the backbone of school sport. We thank them for their professionalism, care and dedication to creating opportunities for young people.

Our multi-class program continues to stand as a powerful testament to the inclusivity of our sport. This event remains a leader in creating meaningful opportunities for athletes with disability, with participation more than doubling from 54 athletes in 2022 to almost 150 athletes this year.

Finally, I commend the more than 1,200 student athletes who have gathered here this weekend. Cross country demands dedication, resilience and an unwavering commitment to training, often under challenging conditions. Our event has a proud tradition of athletes progressing to Australian teams, not only in athletics but across a diverse range of sports, including triathlon, tennis and rugby league. Just as importantly, we take great pride in fostering a lifelong love of distance running and endurance sport.

To those competing at these championships for the very first time, welcome. We hope this weekend inspires you, challenges you and leaves you with memories that last a lifetime. To our Year 12 students competing here for the final time, thank you. You leave this championship having contributed to a proud tradition of perseverance, determination and sportsmanship, and we wish you every success in the exciting journeys that lie ahead.

I wish all participants the very best this weekend and look forward to witnessing the effort, resilience and camaraderie for which cross country athletes are so well known.

Good luck to you all.

Steve Kanowski
Chair

2026 10–19 Years Queensland Representative School Sport Cross Country Executive

Players' Oath

As a Regional Cross Country Athlete and on behalf of all athletes here, we swear to:

- participate to the best of our ability
- represent our team with pride
- abide by the rules that govern these championships
- respect the decisions of the officials
- and above all else demonstrate sportsmanlike behaviour in the best tradition of all representative school sport events.

By doing so, we can ensure that the Championships will be a positive and memorable experience for everyone involved. In conclusion, let us embrace this opportunity to demonstrate our skills and make memories that will last a lifetime.

And above all, enjoy ourselves.

A Brief History Of Queensland School Sport

The Queensland State Primary Schools' Amateur Athletic Association

On April 9, 1920, a group of 51 individuals consisting of teachers and representatives of various sports organisations gathered at the Brisbane Friendly Societies' Rooms to form the Queensland Schools Amateur Athletic Association (QSPSAAA). The primary purpose of this association was to promote and encourage various sports, including swimming, cricket, football, tennis, lacrosse, basketball, cycling, and athletics in general.

At the subsequent meeting, the Constitution of the Association was adopted with some amendments, including a change in its title to QSPSAAA. The affiliation fee for schools and individual members was set at two shillings and sixpence per annum. Records indicate that 44 schools and 84 teachers affiliated in the first year.

One of the key responsibilities of the QSPSAAA was to form sporting organisations that would provide more sports competitions for primary school students. Over the years, several District Associations were affiliated, leading to an increase in organised school sporting events and providing a platform for identifying talented athletes for higher representative honours.

On February 19, 1973, the Queensland State Primary Schools Amateur Athletic Association officially became known as the Queensland State Primary Schools Sports Association. This change reflected the growing focus on sports in the primary schools and the importance of organised sports events in the development of young athletes.

The Queensland State Secondary Schools' Sports Association

The Queensland State Secondary Schools Sports Association (QSSSSA) was established on April 6, 1946, with the aim of providing a framework for inter-school competitions among secondary schools. At the time of its formation, the Association had a membership of only 8 schools, but this number gradually increased over the years.

In September 1946, the first Annual Athletics Carnival was held, followed by the first Annual Swimming Carnival in March 1947. That same year, the first affiliated sports sub-association was formed to cater to the needs of Rugby League in secondary schools. Over time, the number of sports offered to students continued to grow, and by the mid-1970s, the Association actively encouraged affiliation and grouped schools into district associations to promote local competitions and provide students in remote areas with the opportunity to participate in state championships.

In 1955, the QSSSSA began its interstate activities with a Rugby League series against New South Wales (NSW), followed by Cricket and Soccer series. By 1970, ten sports were involved in an annual series against NSW. Early Queensland teams were selected through trials, and state championships were initially limited to Swimming and Athletics. However, by 1973, the Cross Country, Rugby League, Softball, Netball, and Basketball associations had conducted state championships, and the formation of school

sports district associations resulted in an increase in the number of state championships in different sports. Today, state championships are played on an inter-regional basis, and in 2019, 49 state championships were conducted in 21 sports.

In 1980, the affiliation policy of the QSSSSA was changed to allow non-state schools to join the Association, and over the following years, many non-state schools affiliated. Today, all state secondary schools have the opportunity to be affiliated and participate in competitions held throughout Queensland, including schools in remote areas such as Thursday Island and Mornington Island.

The Queensland State Schools Sports Council

The Queensland State Schools Sports Council was established in 1965 with the objective of bringing together various stakeholders in school sports, including school sports associations, principals, and representatives from the Education Department. The council was formed to address the challenges faced in school sports, particularly the contentious issues arising from the large size of the primary and secondary sports associations.

The regionalisation of school sports programs started in the 1970s, and by 1988, twelve regions were established with a school sport officer assigned to each region to lead the representative school sports program.

In 1979, the constitutions of the parent bodies were altered to allow non-state school students to participate in the Department's school sports program and compete in State Championship level and represent the state.

One of the major initiatives of the Queensland State Schools Sports Council was the Pacific School Games, held in August 1982. These games, which served as a "Mini Commonwealth Games for School Students," involved over 2000 competitors and several hundred officials. The event was used by the Commonwealth Games Foundation as a trial run for their own event four weeks later.

Queensland Representative School Sport

The Queensland representative school sport program continues to provide opportunities for students to participate in various sporting activities and competitions. The program is managed by local school principals, teachers, and staff, with support from regional school sport officers who oversee the activities within each sport region, led by Queensland Representative School Sport.

Throughout the year, local and regional competitions are held to select representative teams for the Queensland Representative School Sport State Championships. These state championships provide opportunities for students to showcase their skills and compete at the highest level. The best performers are then selected to represent Queensland at inter-state, national, or international competitions.

Sport participation plays a vital role in the development of young people and promotes the values of teamwork, sportsmanship, enjoyment, co-operation, fitness, and school spirit. These values have remained unchanged since the inception of the school sport program over a century ago and continue to be as relevant today as they were in the past.

School sport has a rich heritage and is an integral part of Australian culture. Despite facing challenges and weathering storms over the years, the program has remained strong and continues to provide opportunities for students to participate in a variety of sporting activities. The program is proud of its history and looks forward to a bright future, offering more opportunities for students across Queensland to engage in school sports.

Team Officials Code of Conduct

All Queensland Representative School Sport Team Officials need to become familiar with the following DOE and QRSS policies and procedures in order to carry out your required duties as an official - <https://qed.qld.gov.au/working-with-us/induction/department/induction-programs-and-resources/code-of-conduct>.

Code of Conduct – Team Officials

The Public Sector Ethics Act 1994 (Qld) (the Ethics Act) establishes four ethical principles which underpin public administration in Queensland and apply to all public service employees:

- integrity and impartiality
- promoting the public good
- commitment to the system of government
- accountability and transparency.

Each principle is supported by a set of values which describes the behaviour that will demonstrate that principle. All public service entities and employees must demonstrate, promote and comply with these principles and values in their work.

DoE Standard of Practice (February 2016) indicates:

- You must not communicate with students using a personal mobile phone, either verbally or by text message unless prior approval has been given by your Principal or supervisor. You must discourage students from such communication with staff. Use of a departmental mobile phone must be for official purposes only.
- You must ensure that you do not communicate with students from a private or personal email address. School or institute policies which allow for communication with students via departmental email should be for official purposes only.
- You must not use personal cameras or mobile phones to photograph students unless prior approval has been given by your Principal or supervisor. The use of a personal or school mobile phone or camera to photograph students must be for official purposes only. Parental or custodial approval must be given for the publication of photographs of students.
- You must not use internet social networks such as Facebook, Instagram, YouTube or similar social media platforms to contact or access present students enrolled in any school or institute.
- If you use internet social networks in your personal time you must ensure that the content is appropriate and private, and that you restrict access to specific people who are not students.

Student and Parent Code of Conduct

Student's Code of Conduct

- Take responsibility for your own behaviour and performance.
- Compete by the competition conditions and rules.
- Respect the judge's, referee's or umpire's decisions.
- Encourage and support your team members.
- Show respect for yourself, your teammates, officials, your opponents and their skills.
- Respect the rights and worth of every person.
- Behave in a manner that respects the rights of others regardless of mediums of communication used.
e.g. digital mediums such as Instagram, YouTube, Twitter, Facebook email and texts.
- Smoking, drinking of alcoholic beverages or the use of any illegal substances is strictly forbidden.
- Entering or remaining upon restricted licensed premises unless under the supervision of Team Officials or parents / guardians is strictly forbidden.
- Ensure you adequately prepare and recover for competition.
- Wear the official team uniform as directed by Team Officials.
- Check - in and check - out with Team Officials each day.
- Stay in the designated team area and support other team members during the event.
- Follow all directions of Team Officials.
- Ensure that you have telephone numbers of Team Managers at all times in case of emergency.

Parent and Community Code of Conduct

- Cooperate with the Team Officials to achieve the best outcomes for your child.
- Support team and event officials in maintaining a safe and respectful learning environment for all students.
- Maintain positive relationships with Team Officials regarding your child's learning, wellbeing and behaviour.
- Be courteous and constructive in your communication with players, Team Officials, game officials and sport administrators.
- Encourage honest effort, skilled performance and team loyalty.
- Behave in a manner that respects the rights of others regardless of mediums of communication used.
e.g. digital mediums such as Instagram, YouTube, Twitter, Facebook, email and texts.
- Let game officials conduct events without interference.
- Demonstrate respect for opposing players and their supporters.

*Refer to the [Department of Education Parent and Community Code of Conduct](#) for further information.

Parent and Community Code of Conduct

Supporting learning, wellbeing and safety in every Queensland state school

We welcome parents¹ and other members of our diverse community into schools across Queensland.

Working together with their school community², school staff support the learning and wellbeing of every student, and are entitled to a safe work environment.

Parents and other visitors to schools support safety by ensuring their communications and conduct at the school and school activities is respectful.

Elements of engagement	It is expected that parents and visitors to our school communities will:	Parents and visitors to our school communities demonstrate this by:
Communication 	<ul style="list-style-type: none"> • be polite to others • act as positive role models • recognise and respect personal differences • use the school's communication process to address concerns 	<ul style="list-style-type: none"> • using polite spoken and written language • speaking and behaving respectfully at all times • being compassionate when interacting with others • informing staff if the behaviour of others is negatively impacting them or their family • respecting staff time by accepting they will respond to appropriate communication when they are able • requesting a meeting to discuss any concerns about their child's education — allowing staff time to prepare and appreciating their time may be limited
Collaboration 	<ul style="list-style-type: none"> • (parents) ensure their child attends school ready to learn • support the Student Code of Conduct 	<ul style="list-style-type: none"> • taking responsibility for their child arriving and departing school safely on time every day • reading and encouraging their child to understand and follow the Student Code of Conduct
School Culture 	<ul style="list-style-type: none"> • recognise every student is important to us • contribute to a positive school culture • work together with staff to resolve issues or concerns • respect people's privacy. 	<ul style="list-style-type: none"> • valuing each child's education • acknowledging staff are responsible for supporting the whole school community • speaking positively about the school and its staff • not making negative comments or gossiping about other school community members, including students — in person, in writing or on social media • understanding, at times, compromises may be necessary • considering the privacy of all school community members at all times, and understanding that the school cannot share confidential information.

¹The term 'parent' refers to parents, carers, guardians and people who exercise parental responsibility for a child.

²The term 'school community' refers to staff, students, parents, local business and community organisations and visitors to the school.

Other policies and guidelines

Championship Competition procedures

The competition procedures for each sport can be found on the Queensland Representative School Sport website using the following QR code:

Information and Privacy Management including Photography

The taking of photographs (for personal/family use) is permitted at school sport events except where an event is held at a venue where venue management prohibits such photography. This is communicated to Team Officials at the officials meeting prior to commencement of the event for distribution to teams.

QRSS is mindful of photography and videography of students participating at school sport events and:

- owes a duty of care to students participating in sporting events and has an obligation to comply with departmental policy concerning child protection matters
- recognises that it is a normal and appropriate expectation of parents/carers to be able to visually record the sporting achievements of their children. However, this expectation must be balanced against legitimate concerns that may be raised about inappropriate photography of students
- recognises that some venue Managers/owners may not permit photography in their venue.

Statement of Practice

- The taking of photographs and video (for personal/family use) is permitted at QRSS events except where an event is held at a venue where venue management prohibits such photography.
- Where a venue prohibits photography, signage stating that photography is not permitted will be displayed to spectators on venue entry points.
- Where a QRSS representative reasonably considers that a spectator is engaged in photography of an indecent nature or is engaging in photography contrary to the venue owner's prohibition (and if the spectator does not desist), they will be asked to leave the event premises. Police may be called to assist where the event Convenor considers it prudent.

The management of this policy is the responsibility of the event Convenor in consultation with team officials and venue management.

Hydration

The following procedures are suggested for all Queensland Representative School Sport events:

- Water will be available at all venues at all times and if necessary, water carriers will be provided during matches. Other fluids which may be used include diluted sports drinks.
- The procedures to be followed for providing fluid to students during competition should be clearly identified at the pre-event meeting or in pre-event bulletins.
- Sports which do not have appropriate scheduled re-hydration strategies (e.g. drinks breaks) should implement strategies for allowing fluid to be provided to participants during matches.
- Scheduled breaks in matches should be used to actively promote the benefits of hydration.
- Where possible, officials should actively promote the use of interchange rules to prevent dehydration.
- Participating teams may designate their own water carriers. These may be adults but cannot be the Coach.
- No water carrier is to engage in the coaching of individuals or the team whilst on the field of play.
- Regional School Sport committees should ensure that all their teams are provided with individual water bottles for every event. During matches, these should be located immediately next to the playing area to enable players to help themselves (at appropriate times) during matches.

Sun Safety Strategies

All participants will be encouraged to:

- Maximise the use of available shade at outdoor activities
- Use a SPF 30+ broad spectrum water-based sunscreen on uncovered areas of the skin
- Purchase and wear the school/Regional/state bucket hat or cap to wear at the trial/event

COVID-19 Management

Queensland Representative School Sport trials at all levels will be run in accordance with current government guidelines.

Concussion

Concussion Safety at QRSS Events

Queensland Representative School Sport (QRSS) takes concussion seriously and prioritises the health, safety and wellbeing of every student. Concussion can occur in many sports and does not always involve a direct blow to the head or loss of consciousness. If a concussion is suspected, the student will be **immediately removed from play** and assessed in line with national Australian Sports Commission guidelines. Children and adolescents are managed with a **conservative, safety-first approach**, recognising they may take longer to recover and require careful monitoring.

What happens next?

Families will be **contacted as soon as possible**, and the student must be assessed by a **medical practitioner** before returning to sport. A structured **return-to-learn and return-to-play process** is followed, guided by medical advice and QRSS procedures. Students will only resume participation once it is safe to do so, ensuring their long-term health and wellbeing remain the priority.

Acknowledgements

Queensland Representative School Sport 10 – 19 Years Cross Country Sports Executive extends its thanks to the many people and organisations who have assisted with the conduct of the 2026 State Championships.

In particular, the Sports Executive wishes to thank:

- Darling Downs School Sport Office
- Tom Bradbury – Championship Convenor
- Shelley Clews - Championship Assistant Convenor
- The Principals of the schools who have released teachers and students to assist in the conducting of the Championships, especially Highfields State Secondary College
- The staff at Toowoomba Regional Council
- The teacher officials who have assisted for the two days of competition.
- Queensland Representative School Sport
- Struddy's (major sponsor & merchandise)
- Queensland Athletics for providing some of their most experienced technical officials to assist in the conduct of the 2026 State Championships

Championship Event Survey

Your feedback and input to QRSS is appreciated to continue to improve and provide a meaningful and sustainable pathway.

Please take the time to provide feedback to QRSS
