3 Competition Programs

3.1 State Championships (Inter-regional Competition)

- 3.1.1 The state championships should be held a minimum of five weeks before a national exchange.
- 3.1.2 The carnival where possible should commence on days leading into or after a weekend and include no more than two school days of competition (and one travel day as required).
- 3.1.3 Children aged 10-12 years as at 31 December in the year of competition are eligible to participate. They must attend a school affiliated with QSS.
- 3.1.4 Nominations will be received from Regions with a maximum of one boys' and one girls' team per Region. A maximum of 10 players per team.
- 3.1.5 Copies of nominations to be sent to regional sports officers.
- 3.1.6 The draw for the competition is the responsibility of the executive committee. The draw will take into account venue availability for round robin. Where possible, a round robin draw is the preferred option.

3.2 State Championship Competition Rules

QSS 10-12yrs Basketball will follow FIBA rules and guidelines unless stated otherwise below.

- 3.2.1 A size six leather ball will be used with the host region supplying quality game balls at the carnival.
- 3.2.2 Scoring games should be completed using stadium scoring or similar program. If paper scoresheets are to be used, the convenor should make available copies for each coach as soon as possible after each completed game.
- 3.2.3 Points will be awarded on — 3-win, 2-draw, 1-loss.
- 3.2.4 Playing time
- (a) Four periods of 10 minutes each
 - (b) Warm-up period of three minutes
 - (c) Intervals of one minute between the first and second period and the third and fourth periods
 - (d) Half time interval of three minutes between periods two and three.
- 3.2.5 Playing numbers must be 4-15, 20-25, 30-35, 40-45, 50-55 (no exceptions).
- 3.2.6 Under garments - Students are to wear flesh coloured, black coloured or team uniform coloured under garments for on court participation if the under garments are visible during competition. There must be a visible gap between skins and knee pads/knees. Period starting time:
- (a) The game timing device will be started at the designated time for the start of the match.
 - (b) Where a previous match has caused a delay in the game start times then the timing device will be started three minutes after the completion of the previous match.
 - (c) The subsequent periods timing will start in accordance with the started playing times.
 - (d) Warm up (three minutes) will commence as soon as the court has been declared and at the Referee's discretion.
- 3.2.7 Period timing
- (a) Period one the game clock does not stop for match infringements.
 - (b) Period two the game clock does not stop for match infringements.
 - (c) Period three the game clock does not stop for match infringements.
 - (d) Period four the game clock does not stop for match infringement for the first eight minutes. In the last two minutes the clock will stop for match infringements and time outs.
- 3.2.8 Charge time-outs
- (a) One time-out per team will be available in periods one, two and three. In period four, two timeouts per team will be allowed. If a time out is called during the last two minutes from the back court, then the ball will be advanced to the front court.
 - (b) Charge time-outs will be of one minute duration.
 - (c) The game clock will stop for all time outs (including referee time outs).
- * Please note: play must restart immediately at the end of the one minute time-out.

3.2.9 Defence

- (a) Through consultation with both coaches, teams leading by 20 points may retire to the three point line and resume defence once the ball has progressed halfway with no traps or presses.
- (b) Man on man defence is obligatory (this is in the interests of junior developmental basketball).

3.2.10 Three point line and free throws

- (a) Where under 12 and under 14 lines are marked for free throws, the state championships will use the under 14 line.
- (b) Where under 12 and under 14 three point lines are marked, the state championships will use the under 14 three point line (outside line).

3.2.11 Tied results

Process for determining placings in the round robin draw:

- a. In the event of a tie in a round robin draw, the results of the tied teams will initially form the basis for the decision.
- b. Then, the for and against results of the teams involved will be considered.
- c. Then, a count back of the results of the team finishing top, not including the teams involved in the tie.
- d. Then, a count back of the results of the team finishing second top, not including the teams involved in the tie.
- e. Then, the process in "d" will continue until a result is reached.
- f. In the event that teams are still tied the point d for and against should be considered against the team in the placing immediately above the tied teams.

3.2.12 Process for determining placings in pool rounds:

- (a) In the event of a tie between two or more teams in a pool draw, the results of the tied teams will initially form the basis for the decision.
- (b) Then, the for and against results of the teams involved will be considered.
- (c) If two teams are still tied, then the results of the tied teams only will form the basis of the decision.
- (d) Then, a count back of the results of the team finishing top of the pool, not including the teams involved in the tie.
- (e) Then, a count back of the results of the team finishing second top of the pool, not including the teams involved in the tie.
- (f) In the event that teams are still tied the point "d" then for and against should be considered against the team in the placing immediately above the tied teams.

3.2.13 Overtime in Medal Games:

In the event of scores being level at the conclusion of 'Normal' time in a medal game (3 v 4 or 1 v 2):

- (a) Two (2) minutes overtime will be played.
- (b) Overtime will commence with a jump ball. Further possessions will be determined by the possession arrow.
- (c) One (1) timeout per team will be allowed in each overtime period.
- (d) Clock will stop for match infringements and timeouts during overtime period.
- (e) The process of overtime (a-d above) will continue until a clear result is reached.
