## **5.5 Event Officials**

### 5.5.1 Championship technical committee

- 5.5.1.1 The technical committee shall be composed of the championship convenor, the referees' commissioner and, if necessary, the Chair of QSS 13-19 Years Basketball Committee or nominee to ensure a minimum of three members.
- 5.5.1.2 The technical committee shall rule on all aspects of the competition as required to ensure the competition is conducted in line with QSS 13-19 Years Basketball Committee competition procedures, FIBA rules and QSS policy and procedures.
- 5.5.1.3 The technical committee shall act as a judiciary as required. The technical committee will follow Basketball Australia's Disciplinary Tribunal By-law procedures.
- 5.5.1.4 Disputes or reports are to be lodged with the technical committee in written form within 15 minutes of the completion of a game. The championship convenor or secretary shall receive all disputes and forward them to the technical committee. The decision of the technical committee is final.
- 5.5.1.5 Unforeseen circumstances: The technical committee may make changes to the playing rules in the event of extreme circumstances, e.g. equipment failure, poor weather conditions, health and safety considerations.

### 5.5.2 Championship referees

- 5.5.2.1 Regions are strongly encouraged to nominate suitably qualified referees through the student officials manager or referee commissioner.
- 5.5.2.2 Refereeing throughout the championships will be under the control of a referee commissioner(s), who will also undertake educational activities for all participating referees.
- 5.5.2.3 A team levy, to be reviewed annually, is payable as part of the championship budget to pay the travel, accommodation and expenses of the referee commissioner(s), referee educators and adult referees. This levy must also cover the costs associated with any payment that may be made to adult referees and should be included in the state championship budget.
- 5.5.2.4 A Student Officials' Manager (SOM) will be appointed at both the 16-18 years and 13-15 years championships provided there are 6 or more student referees in attendance at each state championship event. Duties of the SOM will be in accordance with QSS policy.
- 5.5.2.5 A referee's shirt will be provided to referees for use when officiating games. The cost of referee shirts may be included in the championship budget.
- 5.5.2.6 The Student Officials' Manager / Referee Commissioner may seek the assistance of Basketball Queensland / local basketball associations and referee associations to identify and encourage suitably qualified / skilled referees to nominate for selection as part of the QSS student officials' program.
  - 5.5.2.6.1 Once nominations are collated, if necessary particular regions should be targeted to encourage more referees to attend. There should be more focus on regions close to where the championships are being held, but the emphasis on trying to get representation from all regions (particularly student referees) must be maintained.

- 5.5.2.6.2 Where ever possible adult referees and referee educators should be from the host region (to assist in keeping the cost of the championship to a minimum).
- 5.5.2.7 The optimum number of referees for each Championship is 20 – each appointed to two games per day. If less than 20 available on any one day, then some referees will need to officiate three games per day. This is not ideal.
- 5.5.2.8 More adult referees are usually needed for the 16-18 years Championship due to standard required to referee at that level.
- 5.5.2.9 Transport
- Refer to Student Officials' Handbook for student officials.
  - Adult officials' flights (& ground transport if required) are to be built into state championships budget.
- 5.5.2.10 Accommodation
- Refer to QSSMG accommodation framework.
  - Adult referees and educators from out of town are to be provided with motel accommodation. This cost is to be included in the championship budget.
- 5.5.2.11 Meals
- Adult referees in motel accommodation are to be provided with a breakfast allowance. This should be a light breakfast, at min \$10 per person. This cost is to be included in the championship budget.
  - All referees and educators are to be provided with a lunch voucher each day, at min \$10 per person. This cost is to be included in the championship budget.
- 5.5.2.12 Payment
- All payments are to be in accordance with Department of Education policy.
  - Local adult referees (those not being provided with accommodation) are to be paid at a rate of \$20 per game. This cost is to be included in the championship budget.
  - Consideration should also be given to paying local referee educators for their time, on a per game basis at the same rate as referees. This cost needs to be included in the championship budget.
  - These game payments require approximately \$800-\$1000 per championship. (This needs to be included in the budget for each championship even if the number of actual referees is not confirmed when the budget is finalized. This amount is for game payments only, and does not include travel, accommodation and meal allowance.)
- 5.5.2.13 Education/Evaluation
- QSS 13-19 Years Basketball Committee requires at least two full-time referee educators, as well as commissioner/student official manager to attend each championship..
  - Efforts should be made to secure the services of local referee educators..
  - As much as is practical, referees are to be evaluated on their performance on as many games as possible. Ideally, each referee

would be evaluated on at least one game per day, depending on the availability of referee educators.

- The selection of referees for semi-finals is based on their individual performances on games over the first two and a half (2 ½) days of the championship. Finals and play-off game appointments are then decided upon after reviewing performances during the semi-finals.
- Up to two student referees may be selected as part of the QSS state team to officiate at the SSA Championship. Selection will be merit based.

#### 5.5.2.14 Uniform

- Referee evaluators/educators are to be provided with a QSS event officials shirt for identification / risk mitigation purposes.
- Participating referees are to be provided with a QSS referee shirt for identification and risk mitigation purposes. The cost of shirts (20 per championship) is to be included in the championship budget (cost must be approved by QSS).

## **5.6 Complaints Management**

## **5.7 Meetings**

5.7.1 The host region shall facilitate a pre-championship meeting on the evening prior to day one of competition. This meeting will convey information relevant to the efficient running of the championship. At this meeting regional coaches and/or managers will confirm team names and playing numbers.

5.7.2 At the pre-championship meeting the selectors for the state teams will be confirmed.

5.7.3 At the 16-18 years championship, the annual general meeting of QSS 13-19 years Basketball Committee will be conducted.

5.7.4 At the 13-15 years championship, a general meeting of QSS 13-19 years Basketball Committee will be conducted.

It may be a "Players' Player" award; this is at the discretion of the coach.

5.16.2.2 These awards are managed by regional officials (see QSSMG).

5.16.2.3 A similar award as that mentioned in 5.16.2.1 shall be awarded to a student referee & will be managed by the SOM.

5.16.2.4 The 'award' should be a basketball which is made available to the coach/manager prior to closing ceremony. QSS 13-19 years Basketball Committee is responsible for supplying the 21 basketballs required for these awards at each championship.

## Appendix 1 : Sample Draws

---

### Appendix 1: Sample Draws

Teams are divided into two pools. Pools are to be based on the position achieved the previous year in the same age group.

- Pool A will consist of the teams that previously ran 1<sup>st</sup>, 4<sup>th</sup>, 5<sup>th</sup>, 8<sup>th</sup> and 10<sup>th</sup>
- Pool B will consist of the teams that previously ran 2<sup>nd</sup>, 3<sup>rd</sup>, 6<sup>th</sup>, 7<sup>th</sup> and 9<sup>th</sup>.

The boys' and girls' final should alternate as the final game from year to year.

The draw format provides teams that finish in the top three of the pool with the opportunity to progress to the semi-finals.

At the end of day two games, teams will be ranked one to five in each pool.

Teams will then proceed to cross-over games and semi-finals on day three as follows. Where possible, the 2v2 game should be played before the 1v3 games.

#### Day 3 Morning:

1st Pool A will play 3rd Pool B  
2nd Pool A will play 2nd Pool B  
3rd Pool A will play 1st Pool B  
4th Pool A will play 5th Pool B  
5th Pool A will play 4th Pool B

1st Pool C will play 3rd Pool D  
2nd Pool C will play 2nd Pool D  
3rd Pool C will play 1st Pool D  
4th Pool C will play 5th Pool D  
5th Pool C will play 4th Pool D

#### Day 3 Afternoon:

The winners of the 1v3 games and the winner of the 2v2 game plus the highest ranked loser (HRL) from these games will progress to the semi-finals.

The highest ranked loser refers to the pool rankings.

For example:

- If only one team ranked first after day two loses the cross-over, they would be the HRL and progress to the semi-final
- If both teams ranked first lose, then the HRL is the one with the best for/against percentage in the cross-over game ie. the smallest losing margin of those cross-over games. If the margins of the crossover games are identical, the highest rank is then determined by all games played (using for/against percentage)
- If both first rank teams win, the loser of the 2v2 game will progress to the semi-final as the HRL
- The semi-finalists will fill positions one to four.

The teams that miss out on the semi-finals will be known as the Lowest Ranked Losers (LRL) in the draw. LRL#1 will be the loser with the smallest losing margin.

The winners of the 4v5 games will play against the LRL teams in the afternoon. These teams will fill positions five to eight.

The losers of the 4v5 games will play against each other on the final day. These teams will fill positions nine and ten.

#### Day 4:

Day four games will determine final positions.
