- 3.2.1.8 Fielding Restrictions

No player may field any closer than 10 metres from the wicket in an arc from point around in front of the wicket to fine leg.

It is necessary for the arc to be marked on the field of play to show this clearly.

20 over Innings	Over	Fielding Restrictions
	0-6	Must have 2 fielders on the boundary ¹
	7-20	Must have 4 impacted players ²

40 over Innings	Over	Fielding Restrictions
	0-10	Must have 2 fielders on the boundary ¹

	11-40	Must have 4 impacted players ²
--	-------	---

Note: The Umpire is to signal a no-ball for those deliveries where these fielding restrictions are deemed to be breached.

¹ Boundary fielders must be within 4 metres of the boundary at the bowler's point of release. This also applies to any player fielding on the boundary as an impacted player.

² Total number of players either fielding on the boundary or in the slips cordon. Slips cordon is inclusive of slips & gully only. Coaches/captains can use any combination of boundary & slips cordon fielding positions at their discretion i.e. 2 boundary & 2 slips cordon, 1 boundary & 3 slips cordon; however, they must total 4 during the period those restrictions are in play

No more than five fielders are allowed on the leg side.

3.2.1.9 No Ball:

A ball which bounces more than once or rolls along the ground before reaching the popping crease shall be called no ball.

3.2.1.10 Free Hit

Boys: shall be called if it is outside the return crease on the off side and outside the 700mm mark on the leg side.

Girls: shall be called if it is outside the return crease on the off side and outside the return crease on the leg side

3.2.1.12 Any extra runs (or byes) scored from wide or no-balls as described in rules (3.2.1.9) and (3.2.1.11) above shall be added to the score.

3.2.1.13 Teams may interchange fielders after a minimum period of four overs.

Ignore the Law of Cricket 2.5(c) fielder absent or leaving the field.

3.2.1.14 The toss is to be conducted no later than 45 minutes before the scheduled time for the start of play. The toss will be conducted on the pitch by the two opposing captains. One team official from each team is to also be present. Umpires do not need to be present for the toss. The umpires just

need to be informed as to who won the toss and what they've elected to do. In the official draw the 'home team' is listed first and their captain must toss the coin.

3.2.1.15 Boys

3.2.1.15.1 A team's second innings can only be the maximum required number of overs that make up the total overs for that game.

3.2.1.16 Girls

3.2.1.16.1 Retiring Batters: Batters are only to be retired when they reach 30 runs in a 20 over match and 50 runs in a 40 over match.

3.2.1.16.2 Batters who retire can resume their innings, if all other wickets are lost, in the order they retired if the designated overs for the innings have not yet been bowled. This is to encourage teams to bat out their full complement of overs.

3.2.1.16.3 An innings can constitute up to 22 wickets from the batting team. **Only the first 11 wickets will help determine the win/loss result, with all wickets and runs counting towards incentive points.** Scorers will need to record the score at the fall of the 11th wicket.

3.2.1.16.4 If a team loses 22 wickets in an innings (before the compulsory closure at the end of 20 or 40 overs), they are deemed to be all out and their innings closed.

3.2.1.17 Team Officials may only encroach onto the field in the event of injury to a player or if called upon to do so by an umpire or Championship official.

No team official, umpire or spectator shall coach a team whether by voice or signal while the game is in progress. Team officials are permitted to speak to fielding side or batters during scheduled breaks. (Scheduled breaks i.e. adjournments (lunch, tea), change of innings, drink breaks, cessation in play due to weather and/or injury.)

3.2.1.18 At the fall of a wicket the not out batter must remain at the wicket. The incoming batter should move to the wicket as quickly as possible to avoid wasting time.

Break: 10:00am – 10:15am

Second Session: 10:15am – 11:45am

PM Game

First Session: 1:00pm – 2:30pm

3.2.2.2 40 Over Games

First Session: 9:00am – 11:45am

Inning Break (Lunch): 11:45am – 12:25pm

Second session: 12:25pm – 3:10pm

3.2.2.3 Drinks

Drinks shall be taken after the 10th over of each innings in a T20 match and in the 14th and 28th overs of each inning in a 40 over match, provided that players have not left the field for any reason during the session.

In cases of extreme heat, additional drinks may be taken by agreement between the umpires and the officials of the opposing teams. If a wicket falls within five minutes prior to the time set for the taking of drinks, the drinks shall be taken immediately.

Any player taking drinks onto the field shall be dressed in proper cricket attire.

3.2.2.4 Closure of Innings

3.2.2.4.1 In all matches, each team, unless previously dismissed, shall have its first innings compulsorily closed at the conclusion of the last over of the 20 or 40 over match. .

3.2.2.4.2 In the event of both teams concluding their first innings whether compulsorily or otherwise, before the time at which play is due to finish, the match may continue under normal conditions until that time. It shall be permissible for play to continue beyond that time should this be necessary to enable each team to receive its allocated overs for its first innings. This is not to exceed one hour in a State Championship.

3.2.2.4.3 If the team fielding first fails to bowl the required number of overs by the scheduled time for cessation of the first session, play shall continue until the required number of overs have been bowled.

3.2.2.4.4 If the team batting first is dismissed in less than its maximum overs, the team batting second is entitled to bat its full complement of overs.

3.2.2.4.5 No overs are to be deducted for any ten minute changeover between any innings.

3.2.2.4.6 If a team is dismissed within half an hour of the lunch break, then lunch will be taken.

3.2.2.5 Playing time — final day

Due to travel arrangements, the starting time of the final day is at the discretion of the host region.

- Lunch break is reduced to 30 minutes
- On the final day no team shall have a second innings unless bowled out in less than 20 overs in the play-off games for positions 3-12
- All positions will be based on first innings results only

3.2.2.6 Delayed or interrupted matches

In the event of wet weather, the championship committee shall determine whether play will be possible. An extension to the hours of play is an option on days of the championships, except for the final day- a maximum of one hour only to be added.

- (a) The object shall always be to rearrange the number of overs so that both teams have the opportunity of batting for the same

number of overs. A team shall not be permitted to declare its innings closed.

- (b) A minimum of 10 overs for a T20 match and 20 overs in a 40 over match must be bowled to the side batting second to constitute a match. Therefore on wet days a minimum of either 20 overs or 40 overs between the two sides must be bowled to constitute a match.
- (c) If the start of play is delayed or play is interrupted in the first innings, the number of overs to be bowled in the first innings shall be reduced by the umpires on the basis of one over for every four minutes of time lost.
- (d) If a reduction in the number of overs is required, any recalculation must not cause the match to be rescheduled to finish earlier than the scheduled cessation time. If the number of overs of the team batting first is reduced, a fixed time will be specified for the completion of the morning session and a fixed time will be specified for the commencement of the afternoon session.
- (e) If there is more than one interruption in the first innings, then the process described in sub-paragraph (c) and (d) above will be repeated.
- (f) If there is a suspension of play during the second innings the overs shall be reduced at a rate of one over for every four minutes lost.
- (g) In circumstances where playing time is reduced any decision to adjust the timing or reduce the lunch break, shall be at the discretion of the championship committee in consultation with the umpires.
- (h) If play is suspended in the third or fourth innings of a match the remaining number of minutes shall be divided by four to determine the number of overs to be bowled.
- (i) Target score shall be decided on the team batting first's score at the final over. In the event of the team batting second having their overs reduced, then the target score shall be the team that batted first's run rate plus one (at the end of the last completed over).

E.g. Team A makes 160 off 40 overs. Team B target overs is 24. Team A scored at 4 runs per over. Team B need $24 \times 4 = 96$ plus one. New target is 97 runs to win.

When calculating the run rate, round to two decimal places.

When calculating the runs needed, always round up to the next whole number then add 1 for the target.

3.2.3 Competition Points

3.2.3.1 Boys

The relative position of teams shall be determined by competition points which shall be allotted on the basis of:

- First innings win 6
- First innings loss 1
- First innings tie 3
- Drawn match (no first innings result) 3

- Bye 0

In the event of a forfeit, the team making the forfeit receives zero points and the team receiving the forfeit is given the six points.

The result of the game will be determined by first innings runs only.

Run Rates are calculated on the number of overs scheduled for that match, unless the team batting second wins within the scheduled number of overs for the match. This will then be calculated on the overs this team batted to win the match.

The net run rate (NRR) of each team will be used to determine pool placings. This will not include the results against the lowest placed team in the pool.

3.2.3.2 Girls

The relative position of teams shall be determined by competition points which shall be allotted on the basis of:

- First Innings Win: 6
- First Innings Loss: 1
- First Innings Tie: 3
- Draw: 3 (no first innings result)
- Bye: 0

In the event of a forfeit, the team making the forfeit receives zero points and the team receiving the forfeit is given six points.

The result of the game will be determined by first innings runs only.

Incentive Points (allocated along with win / loss points):

- for each run scored by the batting team
- 0.1 for each wicket taken by the fielding team

For the purposes of computing averages, a batter retiring shall be deemed to be not out. A side declaring its innings closed, whether compulsorily or otherwise shall be deemed to have lost the number of wickets which had actually fallen.
