Supporting reconciliation

Acknowledgement of Country

The Department of Education acknowledges the Traditional Owners of the lands from across Queensland. We pay our respects to the Elders past, present and emerging, for they hold the memories, the traditions, the culture and hopes of Aboriginal and Torres Strait Islander peoples across the state.

A better understanding and respect for Aboriginal and Torres Strait Islander cultures develops an enriched appreciation of Australia's cultural heritage and can lead to reconciliation. This is essential to the maturity of Australia as a nation and fundamental to the development of an Australian identity.

WELCOME MESSAGE

Welcome from the Senior Principal, Queensland Representative School Sport

As the Senior Principal overseeing Queensland Representative School Sport, I welcome you to these State Championships and to congratulate all students on the outstanding achievement of representing your Region.

Being selected to compete at a Queensland Representative School Sport State Championship is a significant milestone. Our students join a proud and long-standing tradition of athletes who have represented Queensland through school sport—many of whom have gone on to achieve further representative success both during their schooling years and beyond. What unites so many of these athletes are the lifelong memories formed through school sport and the teachers who coached them, encouraged them, and stood on the sidelines believing in their potential. For many, school sport and State Championships provided their first structured representative opportunity and the foundation for a lifelong connection to sport.

As preparations continue for the Brisbane 2032 Olympic and Paralympic Games, the importance of school sport has never been clearer. Many of our future elite athletes are currently sitting in classrooms across Queensland. Since its establishment in 1920, Queensland Representative School Sport has, for more than 100 years, provided students with access to high-quality sporting pathways delivered through schools and led primarily by teachers. The benefits of this participation are wide-reaching—physically, socially, emotionally and academically—and extend well beyond a student's school years. Sport builds character, resilience and teamwork. It teaches humility in victory, grace in defeat, commitment, focus and the value of a healthy, balanced lifestyle. Research consistently shows that students engaged in structured sport demonstrate higher levels of school engagement, attendance and academic achievement.

As a teacher who has personally coached students and stood on the sidelines of school sport, I am immensely proud to be part of a system that offers these opportunities to young Queenslanders. Queensland Representative School Sport provides pathways that reach every corner of the state, ensuring that students — regardless of location or school — have the opportunity to participate, from school and district trials through to regional, state and national representation.

We are proud of our rich history and of the achievements of generations of students who have represented Queensland through school sport. As we look to the future, we remain committed to ensuring that representative sporting opportunities continue to be accessible, inclusive and meaningful for all Queensland school students.

To families and supporters, thank you for the vital role you play in supporting each athlete's journey. To our students, I wish you every success at these Championships. Compete to the best of your ability, embrace the experience, and remember that how you conduct yourself is far more important than the final result. Take pride in representing your Region—this is an achievement that will stay with you long after your school years.

Yours in sport

Qld 10- 19 YEARS SWIMMING COMMITTEE WELCOME

On behalf of Queensland Representative School Sport and the Queensland 10- 19 Years Swimming Committee it is our great pleasure to welcome all swimmers, parents, coaches and officials to the 2026 Queensland School Sport 10-12 Years Swimming Championships.

Firstly, we would like to congratulate all swimmers on their selection in their respective regional teams. During the Championships, we encourage you to strive to achieve your best, support your fellow team members and always compete with a sense of good sportsmanship. To all Team Officials, thank you for the wonderful work you have done with your team in preparation for these Championship and thank you in advance for managing your team over the next three days.

We would like to express special appreciation to all the Swimming Queensland technical officials for their continued support and expertise, ensuring the success and smooth operation of this meet. The facilities at the Brisbane Aquatic Centre are excellent for this competition and provide a wonderful atmosphere for all swimmers and spectators. We would also like to extend our thanks to the Queensland 10-12 Years Swimming Convenors and Darling Downs School Sport for their contribution in the organisation of these Championships and recognise the support of the Queensland Representative School Sport.

Best of luck to the Queensland Team that will be selected from these Championships to compete in the 2026 School Sport Australia Swimming Championships to be held in Melbourne from the 29 November – 3 December. It will be a wonderful opportunity to meet and compete against students from other states and territories, and we are confident that you will continue the success of previous Queensland Teams and return with some wonderful results and experiences. Best of luck to all competitors.

PLAYERS' OATH

As a Queensland Representative School Sport Athlete and on behalf of all athletes here, we swear to:

- participate to the best of our ability
- represent our team with pride
- abide by the rules that govern these championships
- respect the decisions of the officials
- and above all else demonstrate sportsmanlike behaviour in the best tradition of all representative school sport events.

By doing so, we can ensure that the Championships will be a positive and memorable experience for everyone involved. In conclusion, let us embrace this opportunity to demonstrate our skills and make memories that will last a lifetime.

And above all, enjoy ourselves.

A BRIEF HISTORY OF QUEENSLAND SCHOOL SPORT

The Queensland State Primary Schools' Amateur Athletic Association

On April 9, 1920, a group of 51 individuals consisting of teachers and representatives of various sports organisations gathered at the Brisbane Friendly Societies' Rooms to form the Queensland Schools Amateur Athletic Association (QSPSAAA). The primary purpose of this association was to promote and encourage various sports, including swimming, cricket, football, tennis, lacrosse, basketball, cycling, and athletics in general.

At the subsequent meeting, the Constitution of the Association was adopted with some amendments, including a change in its title to QSPSAAA. The affiliation fee for schools and individual members was set at two shillings and sixpence per annum. Records indicate that 44 schools and 84 teachers affiliated in the first year.

One of the key responsibilities of the QSPSAAA was to form sporting organisations that would provide more sports competitions for primary school students. Over the years, several District Associations were affiliated, leading to an increase in organised school sporting events and providing a platform for identifying talented athletes for higher representative honours.

On February 19, 1973, the Queensland State Primary Schools Amateur Athletic Association officially became known as the Queensland State Primary Schools Sports Association. This change reflected the growing focus on sports in the primary schools and the importance of organised sports events in the development of young athletes.

The Queensland State Secondary Schools' Sports Association

The Queensland State Secondary Schools Sports Association (QSSSSA) was established on April 6, 1946, with the aim of providing a framework for inter-school competitions among secondary schools. At the time of its formation, the Association had a membership of only 8 schools, but this number gradually increased over the years.

In September 1946, the first Annual Athletics Carnival was held, followed by the first Annual Swimming Carnival in March 1947. That same year, the first affiliated sports sub-association was formed to cater to the needs of Rugby League in secondary schools. Over time, the number of sports offered to students continued to grow, and by the mid-1970s, the Association actively encouraged affiliation and grouped schools into district associations to promote local competitions and provide students in remote areas with the opportunity to participate in state championships.

In 1955, the QSSSSA began its interstate activities with a Rugby League series against New South Wales (NSW), followed by Cricket and Soccer series. By 1970, ten sports were involved in an annual series against NSW. Early Queensland teams were selected through trials, and state championships were initially limited to Swimming and Athletics. However, by 1973, the Cross Country, Rugby League, Softball, Netball, and Basketball associations had conducted state championships, and the formation of school sports district associations resulted in an increase in the number of state championships in different sports. Today, state championships are played on an inter-regional basis, and in 2019, 49 state championships were conducted in 21 sports.

In 1980, the affiliation policy of the QSSSSA was changed to allow non-state schools to join the Association, and over the following years, many non-state schools affiliated. Today, all state secondary schools have the opportunity to be affiliated and participate in competitions held throughout Queensland, including schools in remote areas such as Thursday Island and Mornington Island.

The Queensland State Schools Sports Council

The Queensland State Schools Sports Council was established in 1965 with the objective of bringing together various stakeholders in school sports, including school sports associations, principals, and representatives from the Education Department. The council was formed to address the challenges faced in school sports, particularly the contentious issues arising from the large size of the primary and secondary sports associations.

The regionalisation of school sports programs started in the 1970s, and by 1988, twelve regions were established with a school sport officer assigned to each region to lead the representative school sports program.

In 1979, the constitutions of the parent bodies were altered to allow non-state school students to participate in the Department's school sports program and compete in State Championship level and represent the state.

One of the major initiatives of the Queensland State Schools Sports Council was the Pacific School Games, held in August 1982. These games, which served as a "Mini Commonwealth Games for School Students," involved over 2000 competitors and several hundred officials. The event was used by the Commonwealth Games Foundation as a trial run for their own event four weeks later.

Queensland Representative School Sport

The Queensland representative school sport program continues to provide opportunities for students to participate in various sporting activities and competitions. The program is managed by local school principals, teachers, and staff, with support from regional school sport officers who oversee the activities within each sport region, led by Queensland Representative School Sport.

Throughout the year, local and regional competitions are held to select representative teams for the Queensland Representative School Sport State Championships. These state championships provide opportunities for students to showcase their skills and compete at the highest level. The best performers are then selected to represent Queensland at inter-state, national, or international competitions.

Sport participation plays a vital role in the development of young people and promotes the values of teamwork, sportsmanship, enjoyment, co-operation, fitness, and school spirit. These values have remained unchanged since the inception of the school sport program over a century ago and continue to be as relevant today as they were in the past.

School sport has a rich heritage and is an integral part of Australian culture. Despite facing challenges and weathering storms over the years, the program has remained strong and continues to provide opportunities for students to participate in a variety of sporting activities. The program is proud of its history and looks forward to a bright future, offering more opportunities for students across Queensland to engage in school sports.

RULES AND CONDITIONS

NOTE: The rules and guidelines listed below should be read in conjunction with **The Qld Representative School Sport Swimming Competition Procedures** shown on the **Sports Information** page of the Queensland School Sport (QSS) website:

<https://queenslandsschoolsport.education.qld.gov.au/sports-information/sports-h-s/swimming>

The competition will be conducted under the current World Aquatics Swimming Rules and the current International Paralympic Committee (IPC) Rules except where otherwise stated.

Substitutions:

10-12 A region may substitute another **eligible** swimmer for a swimmer listed in the program. A substitution form, available at the pre-competition meeting, must be completed and signed by the regional team manager, and countersigned by the **meet director one half-hour before the start of the first event of the session in which the heats are swum**. No other substitutions can be made after this time for that session.

Withdrawal and Marshalling

- a. Marshalling will call swimmers for events on the marshalling board. The announcer will also call the “marshalling to” event number.
- b. In marshalling, swimmers will be called up to three times. If after the third call a swimmer is not in marshalling, they will be deemed to have been withdrawn from that event.
- c. In finals, finalists, and reserves (there shall be only two reserves listed) wishing to be withdrawn from a final shall do so in writing and signed by the team manager **within 30 minutes of the final being posted**.
- d. For finals an entrant not having withdrawn as hereinbefore provided who does not compete in the event, shall be deemed a late withdrawal except where there are medical reasons or proven hardship, and as such shall be debarred from competing in the next entered event.

Protests and Jury of Appeal

1. Protests to the referee by a team manager on behalf of a swimmer must be made through the Meet Director or his assistant.
2. Protests must be submitted:
 - a. in writing; and
 - b. within 30 minutes following the conclusion of the respective event.
3. All protests shall be considered by the referee.
4. The Team Manager may appeal the decision of the referee to a jury of appeal whose decision will be final.
5. The Meet Director shall select the members of the jury of appeal on each occasion when one is required.

Swimwear Guidelines

This meet will be conducted in line with the Swimming Australia Inclusive Swimwear Policy as found at the following link: <https://swimmingausprd.wpengine.com/wp-content/uploads/SWIMMING-AUSTRALIA-INCLUSIVE-SWIMWEAR-POLICY-APRIL-2021.pdf>

Results

Swimming Queensland has requested the results from this swim meet via a third-party provider, Meet Manager, to check against state records and for inclusion on Swimming Australia’s Results Central Database.

QLD TEAM SELECTION

Extract from QRSS Swimming Competition Procedures

Sport Specific Skills will be the primary criterion for selection, and this will be based on the performance of the swimmer at the Queensland Representative School Sport Swimming State Championships.

- The placing of the swimmer in individual events (based on time recorded).
- The attitude and behaviour of the swimmer as a member of the team. Swimmers must meet the Queensland School Sport Code of Conduct.
- Special considerations for an absent competitor must adhere to Absent competitor form. Times submitted for consideration must be from a sanctioned Swimming Australia or Swimming Queensland meet post 1 July of the previous year and listed on Swimming Australia's Results Central. Special consideration times will be compared to the Results Central PB of the swimmers that they are to replace.
- For Queensland team selection purposes only: If in a final there is a tie that would create a group of swimmers greater than the School Sport Australia eligible number of competitors for that event, consent for an additional swimmer will be requested to SSA. In the case of tie between a swimmer competing at the state championships and a swimmer who has applied for exemption, the swimmer competing at the state championships will be selected.

The number of competitors selected for each individual event is based on the School Sport Australia Swimming rules and guidelines.

TEAM OFFICIALS CODE OF CONDUCT

All Queensland Representative School Sport Team Officials need to become familiar with the following DOE and QRSS policies and procedures in order to carry out your required duties as an official - <https://qed.qld.gov.au/working-with-us/induction/department/induction-programs-and-resources/code-of-conduct>.

Code of Conduct – Team Officials

The Public Sector Ethics Act 1994 (Qld) (the Ethics Act) establishes four ethical principles which underpin public administration in Queensland and apply to all public service employees:

- integrity and impartiality
- promoting the public good
- commitment to the system of government
- accountability and transparency.

Each principle is supported by a set of values which describes the behaviour that will demonstrate that principle. All public service entities and employees must demonstrate, promote and comply with these principles and values in their work.

DoE Standard of Practice (February 2016) indicates:

- You must not communicate with students using a personal mobile phone, either verbally or by text message unless prior approval has been given by your principal or supervisor. You must discourage students from such communication with staff. Use of a departmental mobile phone must be for official purposes only.
- You must ensure that you do not communicate with students from a private or personal email address. School or institute policies which allow for communication with students via departmental email should be for official purposes only.
- You must not use personal cameras or mobile phones to photograph students unless prior approval has been given by your principal or supervisor. The use of a personal or school mobile phone or camera to photograph students must be for official purposes only. Parental or custodial approval must be given for the publication of photographs of students.
- You must not use internet social networks such as Facebook, Instagram, YouTube or similar social media platforms to contact or access present students enrolled in any school or institute.
- If you use internet social networks in your personal time you must ensure that the content is appropriate and private, and that you restrict access to specific people who are not students.

STUDENT AND PARENT CODE OF CONDUCT

Student's Code of Conduct

- Take responsibility for your own behaviour and performance.
- Compete by the competition conditions and rules.
- Respect the judge's, referee's or umpire's decisions.
- Encourage and support your team members.
- Show respect for yourself, your teammates, officials, your opponents and their skills.
- Respect the rights and worth of every person.
- Behave in a manner that respects the rights of others regardless of mediums of communication used
e.g. digital mediums such as Instagram, YouTube, Twitter, Facebook email and texts.
- Smoking, drinking of alcoholic beverages or the use of any illegal substances is strictly forbidden.
- Entering or remaining upon restricted licensed premises unless under the supervision of Team Officials or parents / guardians is strictly forbidden.
- Ensure you adequately prepare and recover for competition.
- Wear the official team uniform as directed by Team Officials.
- Check - in and check - out with Team Officials each day.
- Stay in the designated team area and support other team members during the event.
- Follow all directions of Team Officials.
- Ensure that you always have telephone numbers of Team Managers in case of emergency.

Parent and Community Code of Conduct

- Cooperate with the Team Officials to achieve the best outcomes for your child.
- Support team and event officials in maintaining a safe and respectful learning environment for all students.
- Maintain positive relationships with Team Officials regarding your child's learning, wellbeing and behaviour.
- Be courteous and constructive in your communication with players, Team Officials, game officials and sport administrators.
- Encourage honest effort, skilled performance and team loyalty.
- Behave in a manner that respects the rights of others regardless of mediums of communication used
e.g. digital mediums such as Instagram, YouTube, Twitter, Facebook, email and texts.
- Let game officials conduct events without interference.
- Demonstrate respect for opposing players and their supporters.

Parent and Community Code of Conduct

Supporting learning, wellbeing and safety in every Queensland state school

We welcome parents¹ and other members of our diverse community into schools across Queensland.

Working together with their school community², school staff support the learning and wellbeing of every student, and are entitled to a safe work environment.

Parents and other visitors to schools support safety by ensuring their communications and conduct at the school and school activities is respectful.

Elements of engagement	It is expected that parents and visitors to our school communities will:	Parents and visitors to our school communities demonstrate this by:
<p>Communication</p> 	<ul style="list-style-type: none"> • be polite to others • act as positive role models • recognise and respect personal differences • use the school's communication process to address concerns 	<ul style="list-style-type: none"> • using polite spoken and written language • speaking and behaving respectfully at all times • being compassionate when interacting with others • informing staff if the behaviour of others is negatively impacting them or their family • respecting staff time by accepting they will respond to appropriate communication when they are able • requesting a meeting to discuss any concerns about their child's education — allowing staff time to prepare and appreciating their time may be limited
<p>Collaboration</p> 	<ul style="list-style-type: none"> • (parents) ensure their child attends school ready to learn • support the Student Code of Conduct 	<ul style="list-style-type: none"> • taking responsibility for their child arriving and departing school safely on time every day • reading and encouraging their child to understand and follow the Student Code of Conduct
<p>School Culture</p> 	<ul style="list-style-type: none"> • recognise every student is important to us • contribute to a positive school culture • work together with staff to resolve issues or concerns • respect people's privacy. 	<ul style="list-style-type: none"> • valuing each child's education • acknowledging staff are responsible for supporting the whole school community • speaking positively about the school and its staff • not making negative comments or gossiping about other school community members, including students — in person, in writing or on social media • understanding, at times, compromises may be necessary • considering the privacy of all school community members at all times, and understanding that the school cannot share confidential information.

¹The term 'parent' refers to parents, carers, guardians and people who exercise parental responsibility for a child.

²The term 'school community' refers to staff, students, parents, local business and community organisations and visitors to the school.

OTHER POLICIES AND GUIDELINES

Championship Competition procedures

The competition procedures for each sport can be found on the Queensland Representative School Sport website using the following QR code:

Information and Privacy Management including Photography

The taking of photographs (for personal/family use) is permitted at school sport events except where an event is held at a venue where venue management prohibits such photography. This is communicated to Team Officials at the officials meeting prior to commencement of the event for distribution to teams.

QRSS is mindful of photography and videography of students participating at school sport events and:

- owes a duty of care to students participating in sporting events and has an obligation to comply with departmental policy concerning child protection matters
- recognises that it is a normal and appropriate expectation of parents/carers to be able to visually record the sporting achievements of their children. However, this expectation must be balanced against legitimate concerns that may be raised about inappropriate photography of students
- recognises that some venue Managers/owners may not permit photography in their venue.

Statement of Practice

- The taking of photographs and video (for personal/family use) is permitted at QRSS events except where an event is held at a venue where venue management prohibits such photography.
- Where a venue prohibits photography, signage stating that photography is not permitted will be displayed to spectators on venue entry points.
- Where a QRSS representative reasonably considers that a spectator is engaged in photography of an indecent nature or is engaging in photography contrary to the venue owner's prohibition (and if the spectator does not desist), they will be asked to leave the event premises. Police may be called to assist where the event Convenor considers it prudent.

The management of this policy is the responsibility of the event Convenor in consultation with team officials and venue management.

Hydration

The following procedures are suggested for all Queensland Representative School Sport events:

- Water will always be available at all venues and if necessary, water carriers will be provided during matches. Other fluids which may be used include diluted sports drinks.
- The procedures to be followed for providing fluid to students during competition should be clearly identified at the pre-event meeting or in pre-event bulletins.
- Sports which do not have appropriate scheduled re-hydration strategies (e.g. drinks breaks) should implement strategies for allowing fluid to be provided to participants during matches.
- Scheduled breaks in matches should be used to actively promote the benefits of hydration.
- Where possible, officials should actively promote the use of interchange rules to prevent dehydration.
- Participating teams may designate their own water carriers. These may be adults but cannot be the Coach.
- No water carrier is to engage in the coaching of individuals or the team whilst on the field of play.
- Regional School Sport committees should ensure that all their teams are provided with individual water bottles for every event. During matches, these should be located immediately next to the playing area to enable players to help themselves (at appropriate times) during matches.

Sun Safety Strategies

All participants will be encouraged to:

- Maximise the use of available shade at outdoor activities
- Use a SPF 30+ broad spectrum water-based sunscreen on uncovered areas of the skin
- Purchase and wear the school/Regional/state bucket hat or cap to wear at the trial/event

CONCUSSION

Concussion Safety at QRSS Events

Queensland Representative School Sport (QRSS) takes concussion seriously and prioritises the health, safety and wellbeing of every student. Concussion can occur in many sports and does not always involve a direct blow to the head or loss of consciousness. If a concussion is suspected, the student will be **immediately removed from play** and assessed in line with national Australian Sports Commission guidelines. Children and adolescents are managed with a **conservative, safety-first approach**, recognising they may take longer to recover and require careful monitoring.

What happens next?

Families will be **contacted as soon as possible**, and the student must be assessed by a **medical practitioner** before returning to sport. A structured **return-to-learn and return-to-play process** is followed, guided by medical advice and QRSS procedures. Students will only resume participation once it is safe to do so, ensuring their long-term health and wellbeing remain the priority.
