3 Competition Programs

3.1 State Championships (Inter-regional Competition)

3.1.1 Structure:

3.1.1.1 The Championships shall be conducted:

Girls — over three and a half days

Boys — over three and a half days

3.1.2 Team size/uniform numbering:

3.1.2.1 Team Size:

Each Region may be represented by a maximum team size of 14 players.

3.1.2.2 Uniform Numbering:

It is mandatory for each player to have a number on the back of the playing shirt being a minimum of 15 cm in height. It is optional to have a number on the sleeve or side of the playing shorts. This number is to be on the right hand side and a minimum of 8 cm in height.

3.1.3 Age group:

Regional teams must be represented by students who are 13 -19 years.

3.1.4 Parental consent, personal details and medical forms, and Principal's Approval form:

3.1.4.1 Team officials must ensure that these forms are completed and brought to the Championships by the Manager.

3.1.4.2 Team officials must provide a completed personal details form and medical form.

3.1.5 Umpires:

Regions are invited to bring student officials to participate. i.e. umpires. This student would be considered as part of the team and in so doing, would become an extra team member but not be included in the playing squad. As a team member that student would be required to pay the levy and abide by the rules and conditions applying to all team members.

It is the policy of Queensland School Sport to encourage suitable qualified student umpires to participate at this level as this provides another avenue for sport education.

3.1.6 Match balls:

The committee will be responsible for the supply of all match balls.

3.1.7 Team Officials:

3.1.7.1 Each Regional Team must be accompanied by at least one team official of the same sex to the State Championship.

3.1.7.2 All team officials' names and their position/s in the team must be listed on the official team list and ratified by the respective Regional Sports Officer prior to the commencement of the Championships. All regional team officials will be presented to the pre championship meeting by the Convenor for the meeting's endorsement. Only officials listed on this team list are permitted to sit on the bench and to take part in the game.

3.1.7.3 Scorers must be nominated to the plate umpire prior to the game commencement.

3.1.8 Championship Draw:

3.1.8.1 All regions are invited to compete in the championships but if an uneven number of teams indicate their participation, another team from the host region may be invited to participate.

3.1.8.2 The Championship draw will be finalised by the Executive Committee and forwarded to the Championship Convenor for dissemination to the participating teams.

3.1.8.3 Where 12 or 11 regions are competing, the draw will be constructed about two pools, determined by the serpentine method from the final placings in the championships of the previous year.

Pool 1	Pool 2
1st	2nd
4th	3rd
5th	6th
8th	7th
9th	10th
12th	11th

- (a) Teams will play a round robin within their pool and at the completion of these games will be placed in:
 - i) Championship Pool consisting of the top three teams of each preliminary pool and
 - ii) Placing Pool consisting of the bottom five or six teams (dependent on the number of competing regions).
- (b) Both pools will then play a new round robin with no carry –over points from the preliminary rounds.
- (c) The two teams placed highest within the Championship Pool (determined with reference to Rule 3.2.1.6) will play a Grand Final to determine the Champion Team.
- (d) If the Championship or Placing Pools are cancelled, the winner will be determined by the results of the single-round robin or an amended competition.

3.1.8.4 Where 10 regions are competing a full round robin will be played.

- (a) At the completion of the round robin Semi Finals will be played: 1 v 4 and 2 v 3. A Grand Final will then be played between the winning teams of each semi-final.
- (b) If the round robin is incomplete, the winner will be determined by the results at the completion of the amended competition, with reference to the following:
 - i) a minimum of five completed rounds by all regions must have been completed. In order to achieve this the following will apply:
 - abandoned rounds will be postponed initially and may be rescheduled if time allows (additional time slots may be considered if possible at the venue)
 - should it be necessary to use the semi-final and grand final time slots to achieve the minimum number of completed rounds, this will receive priority.
 - ii) If 5–9 rounds have been completed, and the semi-final and grand finals abandoned, the champions and runners up will be determined with reference to Rule 3.2.1.6).

3.1.8.5 If, due to the loss of a significant portion of the competition on days one and two to inclement weather, it is evident that sufficient rounds may not be completed to achieve an outcome as stipulated in 3.1.8.4 (b); the championship and placing pools (as determined from previous year's placings) will be played for the remaining rounds of the championship, to enable a State Team to be selected

- 3.1.8.6 Where fewer than 10 regions are competing a full round robin will be played and a final series will be designed to include additional games to make best use of available time. A Grand Final will then be played between the two highest ranked teams to conclude the tournament.

3.2 State Championship Competition Rules

3.2.1 Rules:

3.2.1.1 The championships are to be conducted under Softball Australia Limited (SAL) Rules and Interpretations as endorsed by the Queensland School Sport 13- 19 years Softball Committee except wherein stated.

3.2.1.2 Games shall be of 1 hour 15 minutes duration or a regulation game of seven innings, whichever is arrived at first. Should the score in a game be tied at the end of the seventh innings, a tiebreaker will be played until a winner is determined or time is called for a "time game".

3.2.1.3 If a game ends on an incomplete innings, the winning team shall be the team scoring the most runs at the end of the last completed innings, unless the team actually batting in the bottom half of the incomplete innings has scored the most runs, then that side shall be the winner OR if the number of runs scored by both sides is the same, the game shall be drawn. Exceptions are:

- Semi-finals — 1 hour 30 minutes duration or a regulation game of seven innings. An innings once started must be completed

An innings may not be started within five minutes of the end of the game.

- Grand Final — as for semi-finals

In semi-finals or the grand final, if games are drawn at completion time or seven innings additional tie breaker innings will be played until a result is determined.

3.2.1.4 Games will start and finish by the plate umpire's watch.

3.2.1.5 The official diamond shall have a pitching distance of:

Boys —14.02m (46ft)

Girls — the official diamond shall have a Girls pitching distance of 13.11m (43ft). However, a distance of 12.19m (40ft) should also be marked so that any pitchers who are 13 or 14 years of age may pitch from the 40ft distance BUT will not be considered for selection as a pitcher in the QSS Softball State Team if pitching from the shorter distance

3.2.1.6 Points shall be awarded as follows:

Win – 2 points

Draw – 1 point

Loss – 0 points

If two or more teams have gained an equal number of points, placings shall be decided by:

- (a) Percentages (Runs scored against/defensive innings played)
- (b) The result of the game played between the two teams
- (c) Runs for/offensive innings played
- (d) The toss of a coin

- 3.2.1.7 The first named team in all matches will occupy first base bench and call the toss.
- 3.2.1.8 In order to speed up play, a runner may enter the game to replace the catcher on base when there are two outs. That runner can be anyone in the playing line up that is not in the next four batters. Using a runner for the catcher does not constitute as a substitution.
- 3.2.1.9 A “Designated Runner”, referred to as a “DR”, may be used for any baserunner once only in any offensive innings, provided it is made known prior to the start of the game and the player’s name is indicated on the line-up sheet:
- The “DR” may be used as a substitute for any fielder or batter during the game, and/or
 - The “DR” may be substituted for at any time by a player who then becomes the “DR”. The substitute must be a player who has not been in the game
 - If at the time of the “DR” entering the game as a substitute a replacement “DR” is not named, the position of “DR” shall lapse.
- 3.2.1.10 The designated enclosed fence distances will be within the range of 200–225ft. The exceptions to this will be in the advent of a pre-existing fence. In this case the fence will remain and the enclosed fence distance will be as exists. Should a fence not be erected for the championships, and where it is possible for all diamonds to have the same unobstructed playing surface an open diamond will be played. However should an open diamond be obstructed, all diamonds are to have a marked boundary and a ground rule double shall apply for balls which are hit through this boundary.
- 3.2.1.11 Rule 6 Section 8 Intentional Walk as detailed in the SAL Rulebook will not apply in this competition.
- 3.2.1.12 In all games the batting team may declare an innings closed. This rule can only be invoked when coaches from both teams agree that it is in the best interests of the game.
- 3.2.1.13 No metal cleats or shoes are permitted.
- 3.2.2 Interruption of games:
- 3.2.2.1 For all interrupted games, the recommencement of play will be from the point of the interruption unless determined otherwise by the Disputes Committee.
- 3.2.2.2 If a regulation game of three innings OR a minimum of one hour has been completed, the game will not be recommenced unless time within the normal allocated timeframe permits.
- 3.2.2.3 In the event of a protest, the umpire will note the time taken for the protest to be heard and decided. This time will be added to the finishing time for the game to ensure full time allocation for the game.
- 3.2.2.4 In the event of an injury to a player extending beyond five minutes, the umpire will note the time taken for the treatment of the injury. This time will be added to the finishing time for the game to ensure the full time allocation for the game.
- 3.2.2.5 If the injury time extends beyond 15 minutes, the Tournament Chief Umpire may declare the game to be an ‘Interrupted Game’.
