Shoot Out Challenge

After the last round of games (or at an appropriate time during the tournament) there will be a shoot-out challenge between those Regions who are not participating in the Grand Final.

Rules

- Region will draw for a position.
- The shoot-out challenge will be in a rectangle 20m x 10m. Defender will be five metres from the touchdown line.
- Each Region will partner their team into six pairs. The defending team will select six defenders. Regions will toss a coin to see whom goes first.
- After one Region has completed their six shootouts the other Region will have their go.
- The region that scores the most touchdowns is the winner and will progress to the next round.
- If the scores are tied after both regions have had their go, then sudden death will be used.

Day 2 - Friday

- All teams will play their first 2 ranking games.
- Games will start from 9 am.
- The result from Day 1 will be transferred to the results for the ranking games.
- This will eliminate the possibility of a team playing against another team 3 times throughout the State Championships.
- The top 2 regional teams from each pool will be in the A Series (rankings 1–6).
- Teams that are placed 3rd and 4th after the preliminary games will be contesting the B Series (rankings 7–12).

Queensland Representative School Sport

Day 3 Saturday

- Games start on Saturday from 9 am.
- All teams will play their remaining 2 ranking games to determine their positions from 1–12.
- Teams that finish the ranking games in positions 1–8 will go into a quarter final series.
- The quarter final games will be played on Saturday afternoon.
- Regional teams that finish in position 1 and 2 from B Series will qualify as positions 7 and 8 for the quarter finals series. This means that if you finished 3rd in your pool from Day 1 you still have the opportunity to contest the Trophy Series.
- The winners from the Quarter Final games will play in the Trophy Series and the teams that lose the quarter final game will progress through to the Plate Series.
- Teams that finish the ranking games in positions 9–12 will go straight into the Bowl Series. The Bowl Series games will commence on Sunday morning.

Selection process and criteria

Selection Panel

- Chair of selectors
- Selectors from Regional Teams
- Additional independent selector (If required)

The chair of the selectors will be the:

- Queensland team coach or Manager
- Regional Team selectors

Additional independent selector – see QRSS Leadership handbook for further information.

- An additional independent selector may be appointed if necessary.
- The IC must not be attached to any team at the competition.
- The cost of this person is included into the budget and will be included in the team levy.
- The preference is that this person is from the State Sporting organisation to ensure we continue to foster and build upon relationships

Prior to the Championship

1. Queensland School Sport advertises for Team Official positions
2. Successful applicants must complete the mandatory training prior to the State Championship
3. QRSS will communicate the Chair of Selectors to each region
4. Host Region will send the final team lists to the Chair of Selectors
5. As part of bulletin 2, Regions will request nominations for the panel of selectors
6. Chair of selectors will complete the selectors booklet for distribution at the Pre-Championship meeting

At the Championship

1. Chair of selectors establishes a roster for each game
2. At least one member of the selection panel must be present for each game
3. Each panel member must attempt to see part of each of the games (draw permitting)
4. Regional team officials must be consulted daily regarding selection
5. Notes must be kept for each athlete wishing to be selected

Pre-Championship meeting

- Meet and discuss the selection booklet
- Establish the criteria
- Discuss the roster for each game

Day 1

- Game observations
- Regional team official consultation
- Preliminary selection meeting with the panel post last game
- Presentation of preliminary list of possible and probable athletes from each panel member
- Discussion regarding feedback from game observation and Regional team officials

Day 2

Queensland Representative School Sport

Sport Specific Selection Processes

- Selectors shall meet on a regular basis on each day of the competition.
- Selectors shall follow the selection procedures as outlined in the Selectors booklet. This booklet shall be maintained as a written record of observations and assessments, and as such shall be retained by the QRSS Touch at the conclusion of the Championships.
- Provision shall be made for team Coaches to provide information to Selectors where applicable. Selectors may obtain a verbal or written report from team Coaches regarding their player's performances, should they feel it necessary.
- Selectors will be allocated to all games (preliminary, ranking and finals games), however subsequent allocations shall be at the discretion of the State Selectors.
- Any 'deadlocks' shall be decided by the Queensland Coach.
- Selectors shall not discuss the progress of Selections with any individual outside the Panel.

Below is a brief overview of the procedure to be used for selection. The State Coach is the chairperson and shall lead all discussions. Meeting times will be advised by the State Coach.

- Selectors follow as close as possible their roster. (in the case of selectors who are also Coaches, they may leave games at their discretion to prepare their teams etc.) The State coach will organize the roster for all selectors.
- All selectors complete the "Player Identification Game Sheet" as they identify 'state team prospects' from games viewed. Only potential State standard players should be recorded on this sheet. (Notes about player's strengths and weaknesses should be recorded here as well as a rating out of 10 for each game performance. See Ratings table below)
- At the first meeting, (advised by the State Coach or Chair) an Initial Player list is created using the "Identified Players – Summary Sheet". These are all players who have performed well in the round games. Once this list is completed, no player can be added at a later date. (In other words, all players must have performed consistently in these early games)
- Once this list is established all selectors then 'target' these players in ensuing games.
- At the second meeting, selectors may commence to move players whose performances have been consistent and or outstanding across to the Secondary List for closer inspection.
- It shall also be possible to confirm 'certainty' players whose performances have been outstanding, and, consequently as a group the selectors may decide to move these players (usually very few) into the team. This can save valuable time, enabling selectors to concentrate on the 'fringe' players.
- During the Finals series (including ranking games), player comparisons can take place and selectors can now work together to cover all games with the priority being those games of a 'higher' standard and games where a number of candidate players are performing.
- At the Final meeting (held prior to the Final) the majority of players should have been agreed upon. The Final may be used to make any final decisions between one or two players who may well be in the Grand Final teams.
- The selectors are at liberty to review, change, or otherwise amend decisions which have been made right up to the end of discussions. For example, circumstances may change. I.e. a player may be sent off, another may lose form markedly or struggle in the pressure games in the Finals Series, or a player may be found guilty of a breach of the Code of Conduct. Any changes are only applicable to the certainty players, and does not include the inclusion of 'new' players, not on the Initial Player List.
- All selections shall be ratified by the QRSS Touch Executive prior to announcement by the State Coach.

****IMPORTANT – DISCUSSIONS CONCERNING THE DELIBERATIONS OF THE SELECTION PANEL ARE TO BE HELD IN THE STRICTEST CONFIDENCE, AND NO SELECTOR SHOULD DIVULGE COMMENTS MADE BY ANY PERSONS, OUTSIDE THIS FORUM.**

Queensland Representative School Sport

Player Game Performance Rating Table. (This is to be used as a guide only and can assist in comparing the relative standards and performances of players. Half ratings can be made to extend scale)

Player Rating	Applicable
10	Best Player on the field by some distance. Not only State standard but probably higher.
8 - 9	State standard performance with few obvious weaknesses
6 - 7	A reasonably good performance overall, but with some deficiencies
5	Worth rating but probably has too many weaknesses to be a State player

Tracking Sheet

Please use this sheet to record numbers of players identified in each game viewed, as well as a game rating, and any notes regarding their relative strength & weaknesses etc. These numbers can then be transferred to the identified player's summary sheet, should all selectors concur
