## Championship Rules and Guidelines

### Results

- Points shall be allocated as follows:
  - WIN 10 points
  - LOSS 5 points
  - FORFEIT 0 points
- If at the end of the preliminary rounds two teams are tied on points, the order of ranking shall be determined by the highest set ratio (to 3 decimal points).
  - A = Set Ratio
  - B = Sets Won
  - C = Sets Lost
$$A = \frac{B \times 100\%}{B + C}$$
- If the result is still a tie, the order shall be determined by the highest points ratio using the same formula as the set ratio (to 3 decimal points).
- If sets and points ratios are equal, the order shall be determined by the team that won the match played between the two teams in that pool.

### Scoring information

- Boys matches will be played as best of five (5) sets, with a rally point scoring system. The first four (4) sets will be played to 25 points with a 2-point advantage. The fifth set will be scored to 15 points (with a 2-point advantage). In Set 5, a coin-toss will be performed in order to determine service and the side. Teams are to switch sides when either team has first reached 8 points.
- Girls matches will be played as best of five (3) sets, with a rally point scoring system. The first two (2) sets will be played to 25 points with a 2-point advantage. The third set will be scored to 15 points (with a 2-point advantage). In Set 3, a coin-toss will be performed in order to determine service and the side. Teams are to switch sides when either team has first reached 8 points.
- No cap is applied to any set.
- Matches will be played under the GEST (Guaranteed Earliest Starting Time) system. This means that if matches run over the scheduled finishing time, the next match does not start until 15 minutes after the previous match. If the match finishes more than 15 minutes before the next scheduled match, that match will not commence until the scheduled starting time.
- All matches (first serve whistle) will commence at the time advised in the official draw or fifteen (15) minutes after the completion of the previous match on that court, whichever is the later. This time includes the warm-up protocol.
- If a team is not ready to start at the advised time, it forfeits the first set. If, after ten (10) minutes, the team is still not ready to commence, it forfeits the second set. Once a further ten (10) minutes has elapsed, i.e. 20 minutes after scheduled start time, a match forfeit will be recorded. Teams will incur fines for the sets forfeited.
- When neither team is ready to commence at the advised starting time, both teams forfeit the first set. If neither team is ready to start after ten (10) minutes, both forfeit the second set and a double match forfeit will be recorded once a further ten (10) minutes has elapsed, i.e. 20 minutes after scheduled start time.
- Where both teams have forfeited the first set but are then ready to play at the start of the second set, the match shall be played as a best of three (3) sets.
- Where both teams have forfeited the first and second sets but are then ready to play at the start of the next set, the match will consist of one (1) set to 25 points.
- The Venue Manager reserves the right to permit matches to commence late without penalty, due to unforeseen problems e.g. Notified traffic accidents, major events.
- The Venue Manager/ Referee Supervisor may give permission for a Libero to be re-designated as a normal court player in order to avoid a forfeit in the case of an injury.
